ACKNOWLEDGEMENT

Success is a journey not a destination. An easily achieved thing does not stay long but the thing which takes long time stays forever on this earth. Therefore, this endeavour is a result of four and half years of work in which I got knowledge, sincerity, honesty, hard work and humanity from my beloved Prof. Talwar Sabanna, and wherein I have been accompanied and supported by many people, directly and indirectly. I would like to take this occasion to express my heartily gratitude to all.

First of all, I express my sincere gratitude to my respected Guru and Research Guide Prof. Talwar Sabanna, for inspiring, encouraging and guiding me to learn research discipline, and also for valuable comments and suggestions, advice on research, statistical tools that he provided during the entire course of my research work. I am indebted to my guide Prof. Talwar Sabanna for whatever I have achieved and will achieve in my research career.
