## CHAPTER 1: INTRODUCTION

- **PRESENT STUDY**
- **OBJECTIVES**

## CHAPTER 2: CONCEPTUAL FRAMEWORK

### 2.1 ANXIETY

- (i) Multicomponent construct of Anxiety
- (ii) Anxiety and Theories of Emotion
- (iii) State and Trait Anxiety
- (iv) Test Anxiety
- (v) Individual Personality and Anxiety
- (vi) Anxiety and Cognition
- (vii) Social Anxiety
- (viii) Anxiety Disorders

### 2.2 ADOLESCENCE AND ANXIETY

- (i) Fears and Phobias
- (ii) Situational Anxiety
- (iii) Trait Anxiety

### 2.3 STRESS

- **(A) ETIOLOGY OF STRESS**
  - (i) Physiological and Psychological Stressors
  - (ii) Environmental Stressors
  - (iii) Social Stressors
  - (iv) Individual Stressors
  - (v) Life Events and Daily Hassles
  - (iv) Conflict, Pressure and Frustration

---

1
(B) EFFECTS OF STRESS

(i) Physiological Effects of stress
(ii) Psychological effects of Stress
(iii) Psychosomatic Effects of stress

2.4 ADOLESCENCE AND STRESS 52-56

(i) Family
(ii) Peers
(iii) Education
(iv) Health
(v) Behavioural and Personal Issues

2.5 NEGATIVE MOOD 57-62

(i) Physiology and Emotions
(ii) Leventhal's Information Processing Model of Emotion
(iii) Emotions and cognition
(iv) Psychological, physiological and environmental causes of negative mood
(v) Mood Disorders

2.6 ADOLESCENCE AND NEGATIVE MOOD 63-66

(i) Causes of negative mood
(ii) Effects of negative mood

2.7 ACHIEVEMENT MOTIVATION 66-70

(i) McClelland's theory of Achievement Motivation
(ii) Atkinson's theory of Achievement Motivation
(iii) Attribution theory of Achievement Motivation
(iv) Competence and Power

2.8 ADOLESCENCE AND ACHIEVEMENT MOTIVATION 70-75

(i) Motivational Goal Orientation
(ii) Learned Helplessness and Attribution
(iii) Personality, Behaviour and Achievement Motivation
(iv) Parents and Teachers role in Achievement motivation

2.9 SELF ESTEEM 76-79
(i) Self Concept- Self-Esteem- Ideal Self
(ii) Roger’s Self Theory
(iii) Self- in-Relation Theory

2.10 ADOLESCENCE AND SELF ESTEEM 79-85
(i) Development of Self Esteem
(ii) Positive and Negative Self Esteem
(iii) Enhancing Self Esteem

2.11 YOGA THERAPY 86-95
(i) Eightfold disciplines of Patanjali
(ii) Classifications of Yoga
(iii) Breath, Concentration and Consciousness in Yoga
(iv) Mind and Body Interactions
(v) Yoga as a Holistic Approach

CHAPTER 3: REVIEW OF LITERATURE 96-138

(A) ADOLESCENCE AND ITS ASSOCIATED VARIABLES 96-107
3.1: Reviewed literature on Problems during Adolescence
3.2: Reviewed literature on Adolescence and Self Esteem
3.3: Reviewed literature on Adolescence and Achievement motivation

(B) INTERACTION AMONG ANXIETY, STRESS, NEGATIVE MOOD, ACHIEVEMENT MOTIVATION AND SELF ESTEEM 107-115
3.4: Reviewed literature on the Interrelationship between anxiety, stress, negative mood, achievement motivation and self-esteem

(C) THE EFFECTIVENESS OF YOGA THERAPY 115-127
3.5: Reviewed literature on Relaxation therapies for anxiety and stress
3.6: Reviewed literature on the efficacy of Yoga

(D) STRESS- ILLNESS- YOGA 127-138
3.7 Anxiety, Stress, Negative Mood and illness
3.8 Curative efficacy of yoga therapy for the psychosomatic ailments
HYPOTHESES

CHAPTER 4 : METHODOLOGY

4.1 SAMPLE
4.2 EXPERIMENTAL DESIGN
4.3 PREPARATION OF THE STRESS INVENTORY
4.4 STANDARDIZATION OF THE STRESS INVENTORY
4.5 INVENTORIES USED
4.6 INTERVENTION
4.7 INSTRUCTIONS
4.8 PROCEDURE
4.9 SCORING OF THE INVENTORIES USED
4.10 STATISTICAL ANALYSIS

CHAPTER 5 : RESULTS

SECTION 5.1: Assessment of difference among the two class of subjects (Arts and Science) for all dependent variables.

SECTION 5.2: Assessments of inter relationship among all the dependent variables used in this study.

SECTION 5.3: Assessment of pre trial score difference among yoga therapy and no treatment control groups of Arts and Science subjects for all the dependent variables.

SECTION 5.4: Effectiveness of yoga therapy on the STAI-X1 scores.

SECTION 5.5: Effectiveness of yoga therapy on the STAI-X2 scores.

SECTION 5.6: Effectiveness of yoga therapy on the TAI-H scores.

SECTION 5.7: Effectiveness of yoga therapy on the SI scores.

SECTION 5.8: Effectiveness of yoga therapy on the NMRS scores.

SECTION 5.9: Effectiveness of yoga therapy on the AMS scores.

IV
SECTION 5.10: Effectiveness of yoga therapy on the SEI scores.

CHAPTER 6: DISCUSSION

6.1: Difference among the Arts and Science female adolescent subjects on all the dependent variables

6.2: Interrelationship among state anxiety, trait anxiety, test anxiety, negative mood regulation, achievement motivation and self-esteem.
   (i) Anxiety, Stress, Negative Mood and Self Esteem
   (ii) Achievement Motivation

6.3 Efficacy of yoga therapy for curtailing state anxiety, trait anxiety, test anxiety and stress

6.4: Efficacy of yoga therapy for enhancing negative mood regulation, achievement motivation and self-esteem
   (i) Effect of yoga therapy on Negative Mood Regulation and Self Esteem
   (ii) Difference on Negative Mood Regulation for the control groups
   (iii) Effect of yoga therapy on Achievement Motivation

CONCLUSION
SUGGESTIONS FOR FURTHER RESEARCH
