ACKNOWLEDGEMENT

I owe my deep debt of gratitude to my affectionate and genuine teacher and research guide Dr. S. B. Wagh, Professor, Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, under whose guidance the present work was carried out. His immaculate supervision, noble guidance and invaluable suggestions have gone into every speck of this thesis. He was not only a lamppost but also a torch bearer who lead me through darkness and difficulties of this work. I am unable to express indebted feelings about my guide. This thesis is the result of the inspiration which I got from his dedication to this subject.

It’s my great pleasure to express my sincere gratitude to Dr. B. N. Pande, Professor & Head, Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for invaluable and proper guidance and constant encouragement.

It is my great pleasure to expresses sincere thanks to Dr. N. N. Bandela, Reader, Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for invaluable and propery guidance in my thesis writings.
I also express my sincere thanks to Dr. S. S. Patil, Lecturer, Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for inspiration.

It's my pleasure to express my feelings about my best friend and colleague Mr. Satish N. Raut who helped in my whole research work.

I also express my sincere thanks to Dr. Massarrat Sultana for her valuable help in my research work.

I am thankful to Mr. B. L. Gaikwad, Mr. P. T. Gaikwad, Mr. A. N. Kamble, Mr. J. B. Sangewar, Mr. Selvam Daniel, Mr. Balasaheb Thorat, Mr. Arvind Dhapate, Mrs. Y.S. Varale, Mr. Datkar, Mr. Bhagwan Surywanshi, Mr. Jay Patwari, Miss. Kalyani Zadpide, and Miss Kavita Kalyankar, for their close association and co-operation in completion of this work.

I express my special thanks to Director, National Environmental Engineering Research Institute (NEERI), Nagpur, for providing library facilities in the Institute.

I also express my special thanks to Dr. Ingle Head, Department of Environmental Science, North Maharashtra University, Jalgaon, for providing me library facilities in the university.
I also express my heart-felt thanks for my friends, Anil D. Salve, V.E. Bhingolikar, Satish Ashtea and Vinyak Vegaonkar for initiation, inspiration and timely advise to complete my research work.

I am also thankful to Mr. Sambhaiji Ugaley, (Anjali Computers, Jaisingpura, Aurangabad) for his excellent typing work.

I am also thankful to the staff members Shri Suresh Gaikwad, Shri N. N. Bhujang, Shri T. K. Gaike, Shri Sachin Rapte, Shri B. R. Lokhande, Shri Jagan Hamand and Shri C. G. Bhavsar from Department of Environmental Science, for their timely help in my research work.

(Girish Ramkrishna Ghanabhadur.)
