Acknowledgment

My heartfelt gratitude to ALMIGHTY for his inspiration.

Though only my name appears on the cover of this thesis but there are a great many people who have contributed to its production. I owe my gratitude to all those people who have made this work possible and because of whom this experience has been one that I will cherish forever.

My deepest gratitude is to my supervisor Dr. Somali Gupta. I have been amazingly fortunate to have an advisor who gave me the freedom to explore on my own and at the same time the guidance to recover when my steps faltered. She taught me how to question thoughts and express ideas. Her patience and support helped me overcome many crisis situations and finish my work. I hope that one day I would become as good a supervisor to my students as she has been to me.

My thanks also goes to Dr. Merily Roy – friend, ‘sister’ and an inspiration who knowingly and unknowingly led me to the understanding of some of the more subtle challenges that I came across.

I am also indebted to the member of Oucip, Library, Hyderabad for providing a path to my research.

I would like to acknowledge Dr. Deepak Karkoon, (Principal, Govt V.Y.T College, Durg) for allowing me to use the facilities from the college, which is my research center for this work.

I am also grateful to Dr. Meeta Chakravarthy, Dr. Santosh Singh Dr. Qamar Talat, Dr. Nirja Pathak, Dr. Surekha Jain, Dr. Suchitra Gupta, Dr. Tarlochan, Dr. Mercy George, Dr. Meena Mann, Dr. Tapas Mukherji, Dr. Rabinder Chabra, Dr. Sheila Vijay, Dr. Meenakshi Agrawal and Deexa Tiwari for their constant guidance and support in one way or
other. I am specially thankful to my Principal Dr. K.S. Sharwa and the entire staff of Govt. S.K.Y. College, Gunderdehi.

I also express my thanks to Aniruddha Pandey for giving my work a physical shape.

Many friends have helped me stay same through these difficult years, and I greatly value their friendship.

Most importantly, none of this would have been possible without the love and patience of my family. My parents have always been a constant source of love, concern, support and strength all these years. My efforts would go in vain without acknowledging the love and care of my husband; the support of my mother-in-law and my kids Ansa and Faizan who have always stayed with me through thick and thin.

Mrs. Nigar Ahmed
