Words are inadequate to express my feelings while recording my deep sense of gratitude and respect to my guide Prof. Mansing A. Anuse. It was really an experience to work with and to learn from my guide. I salute him for his unbroken faith in experimentation and deep quest for scientific knowledge. I thank him not only for the guidance, he rendered in the field of research but also for enlightening the path of my life with deep love for science. It was his support with which I could overcome my personal and scientific problems and this work could not have been completed without his inspiring guidance, constructive criticism and sustained encouragement during the course of my research programme.

I am grateful to Honorable former Vice-Chancellor Prof. N. J. Pawar, Ex. Vice-Chancellor Prof. M. M. Salunkhe and Prof. S. R. Patil, Head, Department of Chemistry, Shivaji University, Kolhapur for the facility and support.

My heartful and sincere thanks are due to Dr. M. B. Chavan, former Professor and Head of Inorganic Chemistry, Shivaji University, Kolhapur for fruitful discussion.

Good scientific research could not blossom in an alienated desert; it is a result of fruitful discussion and co-operative exercise of many analytical minds. I thank Dr. S. S. Kolekar Sir, Dr. S. B. Kolekar who helped me to carry out the experimentation and to analyze the result with all his empathy and co-operative analytical mind.
