ACKNOWLEDGEMENTS

Thanks to the Almighty and may His peace and blessings be upon all his prophets for granting me the chance and the ability to successfully complete this study.

I deem it a great privilege to express my deepest gratitude to my supervisor, Dr Aditi (Niyogi) Poddar, Associate Professor School of Studies in Life sciences, Pandit Ravi Shankar Shukla university, Raipur (C.G.), who gave me the freedom not only to explore on my own, but at the same time the guidance to recover when my steps faltered. Her unending patience and support helped me overcome many crisis situations and finish this thesis.

I am deeply grateful to my co-supervisor Prof. Kanti Chaubey, H. O. D. Department of Zoology V.Y.T. Arts, Commerce and Science college, Durg for her constant advice and help in sorting out the technical details of my work.

My sincere thanks are due to Prof. D. Karkun, Principal, V.Y.T. Autonomous PG College, Durg for extending his unreserved support to me in the form of laboratory facilities and helpful
guidance throughout my research tenure. Without his cooperation my thesis would not have seen the day.

Thanks are also due to Prof. A.K. Pati, Head, School of Life Sciences, Pt. Ravishankar Shukla University, Raipur for his keen interest and helpful suggestions in statistical analysis of data and all the faculty members, Prof. V. Rai, Ex-Head (retired), Prof. S.K. Mishra (retired), Prof. A.K. Gupta, Prof. S.C. Naithani, Prof. V. Koche, Dr. R.K. Pradhan, Dr. A. Parganiah, Dr. K.K. Sahu and Dr. A. Tirkey for their encouragement and timely suggestions.

I profoundly express my earnest thanks to my labmates Mrs. Preeti Xalxo, Mrs. Reena Sahu, Mr. Ashish Sarkar, Mr. Surendra Gautam, Ms. Shivani Gupta, Research Scholars, Parasitology Laboratory, School of Life Science, Pt. Ravishankar Shukla University for their constant cooperation.

I am also indebted to my all friends, especially, Ms. Sweta Dave, Ms. Neelam Gandhi, Dr. Rachana Pandey, Ms. Sujata Kole, Ms. Niharika and Mr. K. K. Dubey for all their useful suggestions. I am also thankful to Dr. Hansa Shukla, Principal, Swami Shri Swaroopananad Saraswati Mahavidyalaya for her kind suggestions and support.
My heartfelt gratitude is due to my father, Mr. S. K. Dubey and my mother late Mrs. Usha Dubey for giving birth to me at first place and support me spiritually throughout my life. I express my special thanks to my father in law Mr. Umakant Mishra for their encouragement and support. I wish to express my thanks to my uncle Mr. Krishna Kant Mishra for his amazing support, and I have special thanks to my sisters Archana, Abha, Kiran and my Brother Alok and his little kid Adya for their loving support.

Finally, I am particularly grateful to my husband Mr. Anupam Mishra for helping and assisting me in all the stages of this work, without him this study would never have been possible. His constant and continuous co-operation from starting to the end of the work proves his love and support towards me. I have special thanks to my sons Aditya and Annanya for their patience and all kinds of support during my studies.
