I wish to express my deepest sense of gratitude and indebtedness to Dr. (Smt.) Ajita Chakrabarty, Head of Chemistry Department, Govt. Girls Post Graduate College, Bilaspur (M.P.) and Dr. L.K. Thetwar, Principal, Govt. College, Kota, Bilaspur (M.P.) for their valuable guidance, suggestions and encouragement during the course of this investigation.

I gratefully acknowledge the patronage of Dr. Sheela Tiwari, Principal, Govt. Girls P.G. College, Bilaspur (M.P.).

I am extremely thankful to Dr. A.K. Pandey, Professor in Chemistry, Govt. P.G. Science College, Bilaspur for his generous help towards completion of this work.

I shall be failing in my duties if I do not express my thankfulness towards the teaching staff of Govt. Girls P.G. College, Bilaspur and Govt. P.G. Science College, Bilaspur for several discussions made on the subject, and also towards the staff members of the laboratories of both these colleges for their excellent co-operation.

My sincere thanks are also due to administrative staff of the Guru Ghasidas University for the help given. I cannot adequately thank Prof. Dr. R.K. Singh, Vice-Chancellor of Guru Ghasidas University, Bilaspur for his inspirations, by which I could be able to accomplish this investigation.

It will be incomplete acknowledgement without showing my deep respect and regard to my husband, who has always been a source of inspiration. He was anxious and watchful about the progress of my work.

I must recognise the cooperation and patience of my son and family members, without which this manuscript would not have seen the light of the day.

Lastly, I would like to express my appreciation to Mr. B.P. Agrawal (Proprietor) and Mr. R.L. Diwakar, (M.Sc. Physical Chemistry), Computer Operator of Rajdeep Copiers, Laihind Chowk, Bilaspur (M.P.) for computerising the thesis manuscript with patience, sincerity and utmost care.
