ACKNOWLEDGEMENT

I take this opportunity, with great pleasure, to put on record my ineffable personal indebtedness to Dr. A.G. Khan, Reader, Department of English, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for indefatigable guidance rendered throughout the progress of my research work and also for reading and meticulously correcting the script of this thesis. I am obliged to him for his limitless patience in understanding and solving my problems. His generosity, simplicity and friendliness provided me the necessary intellectual stimulus to complete the present work.

My thanks are due to all faculty members, Department of English, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their valuable suggestions and constant encouragement during the completion of this thesis.

I could start and complete my research work only because Dr. V.K. Patil, Ex-Vice-Chancellor and Dr. C.D. Mayee, Vice-Chancellor, Marathwada Agricultural University, Parbhani provided me with the facilities of deputation and study leave. My sincere thanks are due to them.

I thank Dr. V.B. Shelke, Associate Dean and Principal, College of Agriculture, Latur for his magnanimous attitude and constant encouragement to complete this thesis.

I submit my feelings of gratitude to Dr. M. Glen Johnson, Director of A.S.R.C., Hyderabad for sanctioning me Teacher Research Grant in July, 1993. I Thank him for providing me with all the material necessary during my frequent visits to American Studies Research Centre.

It would be an act of ingratitude if I fail to thank my friend Mr. U.W. Gaikwad who poured his skills in designing and typing this thesis. My thanks to Mr. U.W. Gaikwad.
