ACKNOWLEDGEMENTS

My deeply-felt gratitude and thanks to my Supervisor Dr Lalrindiki T. Fanai, but for whose whole-hearted co-operation, help and patience, this work may well have been left incomplete. Her perseverance and faith in me spurred me on to efforts I myself was unaware of.

To NAAC, which was mainly instrumental in motivating me in the first place and to the Principal(s) Mr R. Zatlaia (Retired) & Mr K. Liantuala as well as my colleagues of Government Hrangbana College, especially Ms Lalsangdeli Fanai (HOD English Dept.), who all encouraged and gave me all their support in this venture.

I am deeply indebted to American Study Centre: Kolkata, British Council Library: Kolkata, National Library: Kolkata, Jadavpur University Library, Delhi University Library System, Jawaharlal Nehru University Library: Delhi, K.K.Handiqui Library: Gauhati University, and Mizoram University Central Library, for their excellent reading material and admirable reference sections.

I am also thankful to my children, Felicia, Roddy, Alex and Stella who patiently forbore the brunt of my frustration during the research period.

Finally, I do not know how to thank my husband Mr.L.Ramkinlova, who besides constantly encouraging me to complete the work accompanied me in all my Library visits and even helped to collect invaluable study materials for me on his own.
