ACKNOWLEDGEMENT

I acknowledge my sincere thanks to Prof. Dr. A. G. Khan under whose tutelage, inspiration and warm and humane support this thesis was undertaken. But for his able genuine, intellectual guidance, the thesis wouldn’t have been completed. I have learned a lot under his able scholarship. I express my deep gratitude to him. I am deeply indebted to the members of the Department of English for their advice and help.

I consider it my duty to thank the authorities of University Grants Commission, Western Region, Pune for providing Teacher- Fellowship under Faculty Improvement Programme for the completion of this research work. My sincere thanks are due to the Indo-American Centre for International Studies (IACIS), formerly American Studies Research Centre, Hyderabad, and American Information Resource Centre, (AIRC), American Centre, Mumbai for making their library collections available to me.

My thanks are also due to Hon’ble Mr. Ganeshraoji Dudhgaonkar, the president of our Education Society and Dr. S. L. Sadawarte, the principal of our college for giving me this opportunity to complete the research.

Thanks are also due to several of my kith and kin and well-wishers for their constant support during this project.

Without the accurate typing of Mr. Safdar Ali Siddiqui the present thesis wouldn’t have been what it is. I sincerely thank him.
