Acknowledgements

First and foremost, I am thankful to the God almighty for all success during this research work.

It is a matter of extreme delight for me to express my sincere, grateful thanks and deep sense of gratitude to my revered teacher and supervisor Prof. R.N. Yadava, M.Sc., Ph.D., F.I.C., Department of Chemistry, Dr. Hari Singh Gour Vishwavidyalaya, Sagar [M.P.], India, for his invaluable suggestions, parental guidance and painstaking interest for encouraging me throughout my task and critically going through the entire manuscript. His scholarly suggestions, ready help and gracious demeanor made it possible for me to bring this attempt to completion.

I am highly grateful to Prof. O.P. Shrivastava, Head, Department of Chemistry, Hari Singh Gour Vishwavidyalaya, Sagar [M.P.] for providing requisite facilities and departmental help during my work.

I am also thankful to Prof. K.S. Pitre, Former Head, Department of Chemistry, Dr. Hari Singh Gour Vishwavidyalaya, Sagar [M.P.], for providing all the necessary laboratory facilities.

I am grateful to the Head, RSIC, CDRJ, Lucknow (U.P.) for recording various spectra incorporated in this thesis and Dr. A.K. Goel, Deputy Director, Division of Microbiology, C.D.R.I. for providing antiviral activity data.

I am also thankful to the Principal, S.R. Govt. polytechnic College Sagar (M.P.) and all the staff members of S.R. Govt. polytechnic College Sagar (M.P.) and Mr. S.P. Bijoriya for their cooperation during my research work.

Words become short as I thank to Mrs. Sunila Yadava, whose ever moral boosting nature created such atmosphere which gave me courage to finish my work successfully.

I would like to express my gratitude and thanks to my seniors, Dr. (Mrs.) Abha Verma, Dr. (Mrs.) Parul Jain, Dr. Jitendra Jharbade, Dr. (Mrs.) Navneeta Chakravarti, Dr. Dharmedra Satnami, Mrs. Bharti Bhargava and my colleagues, Mr. Gautam Patil and Mrs. Shirin Khan, Mr. Umesh Vishwakarma and Mrs.
Anurekha Yadav, for their kind cooperation, needful advice and moral support during my research work.

I greatly acknowledge the ‘Pearl Precious’ contribution of my elder brother in law, Dr. Rajesh Chaudhary and Mrs. Rekha Chaudhary and my Bhaiya & Bhabhi, Mr. G. P. Raj and Mrs. Lalita Raj, Dr. R. P. Raj and Mrs. Gayatri Raj and Mr. D. P. Raj and Mrs. Seema Raj who have been constant source of inspiration throughout my research work. I would like to call in my mind to my all family members who were assured about my capabilities and showed their confidence in me during the rainy days.

I am deeply indebted to my parents Mr. S.L. Raj (S.I., C.I.S.F.) and Mrs. Kamla Raj and my in-laws Mr. (Late) K. L. Chaudhary (S.S.S., Tel.) and Mrs. Kamla Chaudhary, who have always blessed me to win laurels and endured my ups and downs with infinite patience and good grace. Their blessings are mentor for the present state of work and what they have done is ever unforgettable.

I feel short of words to express my deep sense of indebtedness for sacrifices, support, strength and dedication that I received from my husband Mr. Omprakash who have helped me in own way and I should also mention my daughter Hansika Raj who smilingly embraced the obvious suffering. Their constant encouragement has always poured a new sprit and a sence of hard work which has finally resulted in the completion of the task.

I would like to thank Mr. R.R. Patel & Mrs. S. Patel, Network Computers, Sagar for not only typing the manuscript, but completing my thesis work timely and systematically.

Mamta Raj
