ACKNOWLEDGEMENT

I convey my first and foremost thanks to Almighty God for showing me inner peace and for all his blessings. I am deeply indebted to my research supervisor Dr. A.S.S. Sekar, Professor, Alagappa Chettiar College of Engineering and Technology, Karaikudi, for his support, encouragement and goodwill through the entire duration of my research work. Countless thanks are due to him for his fabulous guidance and encouraging words by keeping me on track at all stages of my research.

I would like to place on record from my heart, my sincere appreciation to Dr. V. Saraswathy, Scientist, Central Electrochemical Research Institute (CECRI), Karaikudi, doctoral committee member, for all the support rendered in carrying out this research work. I also wish to place on record my sincere gratitude to Dr. P. Jeyabalans, Professor, National Institute of Technology (NIT), Trichy, who apart being member of my doctoral committee, has been most helpful in offering very useful and encouraging comments at various stages of my research work.

Special thanks to Dr. K. Arunachalam, Professor and Head, Thiagarajar College of Engineering, Madurai, Tamilnadu, for his valuable suggestions at various stages of my research. Dr. C. Ramesh Babu, Quality Head, AHLCON RMC, Bangalore and Dr. M. Shahul Hameed, Professor, PSYEC, Madurai, Tamilnadu, will always have a special place in my heart for all the efforts they have put in towards the successful completion of my experimental work. I am also thankful to Mr. K. Rajmohan and Mr. S. P. Karthik, CECRI, Karaikudi, who admirably and unstintingly helped me physically through all the laboratory work. Last, but not the least, I would like to thank my parents, sisters, brother-in-law, wife, son, daughter, nephew and nieces for their constant support and encouragement.

KATHIRVEL P
