ACKNOWLEDGEMENT

Whatever I am and have right now, it all stems from the loving grace and mercy of my Lord Jesus Christ. Despite who I am, He made me a tool for the revelation of His glory. He alone is deserving of all praise and glory for without Him, I can do nothing... without Him, I am nothing.

For all the years of research work I have done, I've got quite a list of people who contributed in some way to this thesis, for which I would like to express my sincere thanks.

I sincerely thank his Excellency Dr. Paul Dhinakaran, Founder and Chancellor, Karunya University for providing spiritual and technical support with the best infrastructure to carry out the research meticulously.

I thank Dr. Paul P. Appasamy, Vice Chancellor, Karunya University, for providing all the support and being a source of inspiration to carry out my research work. He has taken major steps to promote the research activities in the institution.

I am very grateful to Dr. (Mrs.) Anne Mary Fernandez, Registrar, Karunya University, for all the encouragement and motivation given me to pursue this research. Her passion for research has made me move forward successfully in my research work.

I also thank my Director, Dr. B. Selvaraj, School of Science and Humanities, Karunya University, for all his inspiration and encouragement to help me climb higher up in my research work.
I am deeply indebted to my supervisor Dr. V. Saravanan, Karunya University. In his enthusiasm, his inspiration, his stimulating suggestions and his great efforts to explain things clearly and simply, he helped me always in my research. Throughout my thesis-writing period, he provided encouragement, sound advice, good teaching, and lots of good ideas.

I would like to express my deep and sincere gratitude to my Doctoral committee members, Dr. K. Vivekandan, Professor, School of Management, Bharathiar University, Coimbatore, Dr. E Kirubakaran, Senior Deputy General Manager, Bharat Heavy Electricals Ltd (BHEL), Tiruchirapalli, Dr. B. C. Pillai, Dean (Academic Research), Karunya University, Prof. S. Vasanth Kumar, Professor & Head, Department of Chemistry, Karunya University, for their kind assistance and wise advice, help with various applications, and so on in completing this research work successfully.

I want to thank my co-scholars Mr. Rajan, J., and Mrs. Sujai Paul, for all their help, support, interest and valuable hints in various areas of this research work.

I would like to thank all those who have taught me subjects: my high school teachers, my undergraduate teachers, and my postgraduate teachers (especially Mrs. A. Mangalaselvi, Mrs. Selva Susan Thomas, Mrs. Carolin Jeeva, S., Mrs. Anuja Beatrice, B., Mr. Ranjit Jeba Thangaiah, P., Mrs. Regis Anne, W., Mrs. Vijayalakshmi, P., and Mr. Macklin Abraham Navamani, J.) for their kind assistance with writing letters, giving wise advice, helping with various applications, and so on. In addition I wish to thank Mrs. Beulah Christalin Latha, C., Ms. Ponmary Pushpalatha, D., and Mrs. Sharmila, J. for their encouragement.
I would like to express my thanks to all the members of the staff of the Department of Computer Applications, Karunya University who have helped me directly and indirectly in accomplishing this research and giving me a learning environment to help me grow personally as well as professionally. I also extend my thanks to Mr. I. Justin Peter, Assistant Grade (II) for his assistance.

I wish to thank my best friend Mrs. S. Anitha in high school, my best friend Ms. S. Ananthe as an undergraduate and my best friends as a postgraduate students Mrs. Brilly Gifta Christoper, Mrs. T. Jebeula, Mr. G. Abel Thangaraja, Mrs. Jasmine Philip, and Ms. K. Anuradha, for helping me get through the difficult times, and for all the emotional support, camaraderie, relaxation, and caring they extended.

I wish to thank my entire family for providing a loving environment for me. My brothers Mr. J. Billy Graham, Mr. J. Tilak Maryson and Mr. P. Moses Sisilikumar, my sister-in-law Mrs. B. Shobha, and their children B. Jebal and B. Jenisha were particularly supportive.
