ACKNOWLEDGEMENT

I express with immense pleasure my deep sense of gratitude and profound thanks to **Dr. K.J. Rajendra Prasad**, Professor, Department of Chemistry, Bharathiar University, Coimbatore for initiating me into this field of research, providing all kinds of help and his invaluable guidance throughout the course of my research work.

I really deem it a special privilege to record my everlasting thanks to **Dr. K. Natarajan**, Professor and Head, Department of Chemistry, Bharathiar University, Coimbatore, for his constant encouragement and kind help.

I place on record my true sense of gratitude and profound thanks to **RANA K.V. Laxmanan**, M.A., B.Com., M.B.A., Secretary, Erode Arts College, Erode for his generous help rendered.

I owe my thanks to **Prof. G. Elanceran**, formerly syndicate member, Bharathiar University, Coimbatore, **Prof. C. Loganathan**, Head, Department of Electronics, Erode Arts College, Erode and **Thiru. K. Sivaramakrishnan**, Messers Sivaramakrishnan & Co, Erode, who have helped me to join the course.

I offer my thanks to **Dr. P.S. Mohan**, **Dr. S.P. Rajendran** and **Dr. S. Govindarajan**, Readers, Department of Chemistry, Bharathiar University, for their timely helps.

I am very much indebted to **Prof. R.V. Ramakrishnan**, Principal, Erode Arts College, Erode and Dr. V. Venkateswaran, Head, Department of Chemistry, Erode Arts College, Erode for the facilities provided and help rendered.

I sincerely thank Dr.A. Ranjithakani, Head, Department of Botany, Vellalar College for Women, Erode and Botanical Survey of India, Coimbatore for helping me in connection with the identification of plant material.

I wish to express my appreciation and thankfulness to **Selvan S. Madan** and **S. Rajamani** children of **Thiru. M. Sadasivam**, Selection Grade Lecturer in Physics, Erode Arts College, Erode and **Thiru. Betharaj** for their skilful drawings.
My sincere thanks are due to Mr. R. Balamurali, Mr. K. Shanmugasundaram,
Mr. P. Viswanathamoorthy, Mr. Daniel Thangadurai, Miss. S. Yasodhai and Miss. S.
Thamaraiselvi for their help and co-operation during the course of the work.

I acknowledge the assistance of Mrs. M. V. Kaveri, Mr. M. Palanisamy,
Mr. V. V. Nagarajan, T. Anantharaj and Mr. P. Arokiaraj, Staffs, Department of
Chemistry, Bharathiar University, Coimbatore.

I gratefully thank University Grants Commission, Southern Regional Office,
Hyderabad for giving assistance under minor research project scheme for the part
of my research work.

I convey my sincere thanks to my colleagues, friends and relatives for their
full co-operation in all possible ways.

I am greatly indebted to my parents, for their blessings, for their patience and
endurance in the course of this investigation.

I thank Selvi. N. Chandra and G. Gomathi, staffs, Vinai Computers, Erode
for their fine computer processing of this thesis.
