

## ACKNOWLEDGEMENT

It is very difficult to express the emotions yet here the author has tried his best to express his indepth fillings and emotions.

I am deeply indebted to my revered guide **Dr. Manojkumar N. Parmar** for inspiring, encouraging and guiding me in my research endeavor. Without his suggestions, timely guidance and co-operation, I confess, I would not have completed my doctoral research. He has been constantly a source of motivation for completing this thesis.

I am very much thankful to **Prof. S. C. Dwivedi**, Dean, School of Research, SGVU,Jaipur for providing me all the necessary facilities for my experimental research work.

I owe a world of gratitude to the authorities of Suresh Gyan Vihar University,Jaipur. They granted me permission whenever I requested. Not only that they also provided me excellent facilities for my experimental research.

I would like to express my thanks to **Dr.V. G. Patel**, and **Dr. Dhara Patel** who have assisted me at various stages of my work.

I wish to express my heartfelt gratitude to my research colleagues **Mr. Kirti R. Patel** and **Mr. Vishnu D. Patel** for their ceaseless help and co-operation all throughout this onerous task.

I wish to mention co-operation given to me by all the members of the Sophisticated Instrumentation Centre for Applied Research and Testing (SICART), Vallabh Vidyanagar, Department of Chemistry, S. P. University, S. K. Patel College of Pharmacy, Ganpat University and L. C. Institute of Technology, Bhandu for furnishing necessary data on the samples.

I feel immensely indebted to **Prin. (Dr.) Y. B. Dabgar**, teaching and non-teaching staff members of The R. R. Mehta College of science and C. L. Parikh College of commerce, Palanpur and **Dr. P. S. Patel** (Chemistry Dept.) for their support and encouragement during the tenure of research.

I would be failing in my duty if I forget to express my gratitude to my father **Mr. Punjalal T. Patel** and my mother **Smt. Ramilaben P. Patel**, without their blessings, I wouldn't have achieved this academic milestone and reach upto my ambitions.

I trap these finer moments of my life to record a words of appreciation to my wife "**Smt. Jayshree**" and loving daughter "**Twinkal**" and son "**Prem**" whose ever smiling faces always encouraged and inspired my aflame desire to put this task into completion.

Last but not least I owe a word of gratitude to the Almighty for providing me hidden strength and inspiration. I also thank all who have supported me a lot in my research work.

-Kamaleshkumar P. Patel
