ACKNOWLEDGEMENT

Right from the genesis of the very idea to work on this subject to the stage of submitting the research report, I received both intellectual and moral support from many people. Therefore, I would like to express my sincere gratitude to each one of them, at the outset.

It is a great pleasure and privilege to acknowledge and express my deep sense of gratitude to my erstwhile teacher and present guide Dr. K.S. Eswari, Reader in commerce, Vellalar College for Women, Erode, for her able guidance, expert advice and the utmost involvement shown at every stage of this thesis. She stood behind me as a tower of strength to enable me to complete this task successfully. I also thank Mr. K. Kaleeswaran for his valuable suggestions.

I am personally indebted to Dr. S. Nakkiran, Principal, TBML College, Porayar, for his untiring and scholarly guidance.

I express my deep sense of gratitude to Mr. S. D. Chandrasekar, Secretary and Correspondent and Dr. M. Lokanayaki, Principal, Vellalar College for Women, Erode, for having provided me the opportunity to undergo Ph.D., course in this institution. I earnestly thank Dr. Leelamma Kuruvilla, Head of the Department of Commerce, for her constant encouragement and guidance.

I express my heartfelt thanks to Prof. R. Radhakrishnan, Selection Grade Lecturer in Statistics, P.S.G. Arts and Science College, Coimbatore, for executing statistical analysis of the data.
I am very much indebted to Mr. E. Akilan, Selection Grade Lecturer in English, Sri Vasavi Collage, Erode, for suggesting some unfamiliar aspects of language use.

My sincere thanks are due to my teachers, especially, Dr. V. K. Shobana, Dr. D. Kamalaveni, and Mrs. P. Saradha, Department of Commerce, Vellalar College for Women, Erode, for their constructive comments and encouragement in carrying out the thesis.

My profound thanks are due to my colleagues, especially, Mrs. G. Shanthi and Mrs. S. Saraswathi, Department of Commerce, (S.F) Vellalar College for Women, Erode, for their contribution in giving a better shape to the research project.

I express my sincere thanks to the officials of TSTC Erode Mr. R. Balasubramanian, Managing Director, Mr. K. Anbanathan, General Manager, Mr. K. Senathipathi, Selection Grade Assistant Manager, Mr. C. K. Nallaswamy, Senior Assistant Engineer, Technical, Mr. C. Vairavasundaram, Senior Assistant Engineer, Technical, Mr. N. Muthukumarasamy, Senior Assistant Engineer, Electronic Data Processing, for their kind co-operation and timely assistance in providing necessary information to complete this thesis.

I am also thankful to Dr. R. R. Krishnaa, Reader in Commerce, Dr. V. S. Ganeshamoorthy, Reader in Economics, Sri Vasavi College, Erode, Dr. P. Subranmanian, Reader in Economics, Government Arts College, Salem and Dr. E. K. Rayappan, Reader in Commerce, Gobi Arts College, Gobi, for the encouragement and valuable suggestions made in this study.
My thanks are also due to IFC College and Computer Educational Trust, Erode and Virtual Data Processing Centre, Coimbatore, for having executed the printing of the thesis and processing of the statistical data.

I remain thankful to my husband Mr. M. Ramamoorthy, son R. Dhyanesh and father Mr. M. Venkatachalam for their constant encouragement without which the work could have hardly been completed.

I am grateful to The Almighty.

V. Renugadevi
