ACKNOWLEDGMENTS

At the outset, I acknowledge with deep gratitude, the contribution of my guide Dr. P.A. SONI, who at present is Principal, Shrimati Radhadevi Goenka College (RDG College) Akola, for his keen interest, valuable guidance and inspiring encouragement given to me during the course of this work.

I am also greatly indebted to Dr. D.R. Shekhawat, Ex-Principal, Vidya Bharti Mahavidyalaya, Amravati and Dr. K.N. Patil, Principal, Vidya Bharti Mahavidyalaya, Dr. A.G. DOSHI Amravati who provided me all the necessary facilities.

I also deeply appreciate the cheerful encouragement and co-operation given to me by Prof. A.B. Teleng, Amravati and Prof. Dilipsingh Khambre, Principle, Morshi.

I am at loss of words to express my indebtedness to Dr. Subhash Bhadange, Dean, Science faculty, Amravati University, Dr. V.S. Jamode, Head, P.G. Department of Chemistry, Amravati University,

I am deeply thankful to all my colleagues specially Prof. B.G. Bhiwagade, Prof. G.M. Parwe, Government College of Engineering Amravati who encourage and help me from time to time.

I am also thankful to Nitin Agrawal (Akola) who took keen interest and help me in every phase of my research work.

I will be failing in my duty, if I do not express my sincere thanks to RISC, Nagpur University, RISC, Chandigarh and Poona for invaluable help they rendered me in completing spectral data.

I am also grateful to my family members for their inspiration and endurance during my research work and also to those who contributed directly or indirectly to the completion of this study.

Neelima S. Chauhan.
