ACKNOWLEDGEMENT

During the course of this research work I got benefited from many institutions and inspiring contribution of many eminent personalities. First and foremost, I wish to record my deep sense of gratitude to my beloved and esteemed Guide Dr. M. Arumugham, M.Com., Ph.D., DIM, Reader in Commerce, PSG College of Arts and Science, Coimbatore. As a guide he lent his valuable time in every phase of this research work. He has been a constant source of inspiration and encouragement to me during the period of my research work. But for his able guidance this thesis in its full format would not have been a reality. Words are, therefore, inadequate to express my deep sense of gratitude to him. It is really my good fortune to do this research work under his guidance.

I am very much thankful to the management of PSG College of Arts and Science for granting permission and providing facilities to carry out this research work. I am indebted to Dr. B. Sampathkumar, Principal and Secretary, PSG College of Arts and Science, for his constant encouragement and support throughout this research work.

My thanks are due to Prof. M. Suresh, Lecturer (Selection Grade), Department of Statistics, Tamil Nadu Agricultural University, Coimbatore for his immense help in statistical analysis.

I express my grateful thanks to former Head of the Department, Dr. K. K. Anantha Padmanabha Rao, Retired Professor of Commerce, Madurai Kamaraj University, Madurai for his help and constant encouragement.

No less great is my indebtedness to Dr. K. Palaniappan, Principal, GRD College of Science, Coimbatore for his thought provoking suggestions in statistical analysis.

My sincere thanks are due to Prof. P. Baba Gnana Kumar, Prof. N. Sampathkumar, Prof. P Tamilselvan, and Prof. C. Gunasekaran of PSG.
My special thanks are due to Mr. C. Krishnamoorthy, Librarian, PSG College of Arts and Science who spared no pains in placing at my disposal all the reference materials and books to enable me to complete my research work.

I also wish to acknowledge with thanks the Librarians of University of Madras, PSG Institute of Management, Bharathiar University and Tamil Nadu Agricultural University for their involuntary help in making available to me the literature on this area of research.

I wish to acknowledge with thanks the help rendered by my former students in collecting data from the field salesmen in Coimbatore city.

A note of thanks to Prof. S. Thangavelu, Former Head of the Department of Commerce, PSG College of Arts and Science for his support and timely assistance.

I am thankful to all my colleagues and research scholars of the Department of Commerce for their encouragement and help during this research work.

I also thank Mr. D. Suriyanarayanan and S. Kalaichelvi of M/s. Suri Associates, for their help in converting the manuscript of this report into computer printouts.

Finally, I am thankful to my family members whose support and sacrifice helped me to complete this work.

Above all, I am grateful to God for his blessings and grace.
