ACKNOWLEDGEMENT

During the process of my research for Ph.D in the Department of Political Science and Development Administration, Gandhigram Rural Institute, Gandhigram, Dindigul, there are many who supported me and stood by me with great understanding and concern. To thank them all here is my great honour.

The first and most prominent among them in every sense is Dr B Mohanan, my guide and supervisor. He has continuously provided motivating guidance, showed unfathomable understanding and given invaluable and effective coaching for this achievement. Greatly privileged, therefore, I am to record here my most sincere and everlasting gratitude to him.

As the external expert in the Doctoral Committee for my Ph. D, Dr. G Gopa Kumar, Professor and Head, Department of Political Science, University of Kerala supported me with crucial and timely insights. I thankfully acknowledge his services.

Dr. Sivaprakasam of the Department of Applied Research, Gandhigram Rural Institute (Deemed University) deserves a great vote of thanks for his gentle and precious help to me in the area of statistical analysis. Dr. Immanuel Thomas, Department of Psychology, University of Kerala, provided timely guidance while finalizing the interview schedule. Mr. K V Benoy John, Mr. Sunil Paul and their friends helped me immensely during data processing and analysis. I am sincerely indebted to all of them for their support. Mr. P M Dev who did language editing and proof reading deserves my special thanks.
My thanks are due to all the faculty members and non-teaching staff of the Department of Political Science and Development Administration and of all other departments in the University.

I am greatly indebted to the Librarians of Gandhigram Rural Institute, Gandhigram, Centre for Development Studies, Trivandrum, Kerala University Library, Trivandrum and The British Council Library, Trivandrum for making relevant resources available to me.

I register here my deep feelings of gratitude to the Grama Panchayat Presidents, Ward Members and the voters of the study areas, who patiently and magnanimously responded to the enquiries made in connection with this study.

Rev. Fr. Joseph Maliekal and his team of development workers like Mr. C P Nicholas abundantly strengthened me through continuous moral support and benevolent gestures. I am happy to record my sincere thanks to them.

Mrs. Mary Matilda and Mr P. Venkatesh of the Department of Political Science and Development Administration, Gandhigram Rural Institute and Mrs. Rajammal John were, indeed, good friends in need, who helped me in many ways during this research programme. I thank them very sincerely.

J Mary John
