ACKNOWLEDGEMENTS

I would like to acknowledge those, whose assistance and contribution has been instrumental in the realization of this dissertation, which otherwise would not have been possible. I feel fortunate that a large number of people have contributed to in some or the other way to my research but all can’t be mentioned, however, none is forgotten.

First and foremost, I bow my head in reverence to the Almighty God for providing me the strength and energy to work on this project and enabling me to achieve one of my goals.

I would like to express my deep and sincere gratitude to my supervisor, Prof. Dr. Gurupdesh Singh, Department of English, Guru Nanak Dev University, Amritsar, for his intellectual, creative, and affectionate support throughout this research work. His wide knowledge and logical way of thinking have been of great value for me. His understanding, encouraging and personal guidance have provided a sound basis for the present thesis. Without his constant inspiration, I would not have been able to successfully handle this tedious task. Words cannot express the gratitude I owe to him. He has been extremely patient in guiding me since the very first draft of the dissertation. I sincerely thank him for his understanding and generosity in keeping his doors open all the time. I could have never done Ph.D. without his encouragement. I can never forget the way he supported me in tough times. I am extremely grateful to sir and also Manbir mam for encouraging me from time to time.

My deepest thanks are due to Dr. Parminder Singh, Dr. Ramandeep Singh, Professors, Department of English, Guru Nanak Dev University, Amritsar, for their morale boosting words throughout my research period. Their criticism and excellent advice during the preparation of this thesis have added immense value to the dissertation.

I wish my grandpa ‘dadu’ were alive to see the completion of this project. I thank him for blessing and truly loving me always. I am sure it’s because of his blessings that I have been able to complete my degree. I miss him always.

I am also grateful to my nani for always blessings me in my endeavours.
The accomplishment would not have been completed without the support of family and friends. I would like to acknowledge my parents who have always blessed me for a bright career. I am grateful to them for providing me the best educational facilities right from my childhood. I am indebted to them for giving me ample time, space and money to work on this project.

The completion of this dissertation is a milestone for me that could not have been reached without the encouragement and support of my uncles and aunts Dr. & Mrs. Gurmoj S. Passi, Mrs. & Dr. R. Bawa, Sardarni & Sardar Rabinder S. Batth, Dr. J. Gargi, Mrs. & Mr. Raman Gupta, Drs. Mrs. & Mr. M.L. Ahluwalia and many more who provided me with love, guidance, inspiration, encouragement and joy. I would like to extend my most sincere appreciation to them.

I am highly thankful to Sadanand ji (Pioneer Computers) for providing me first and best services throughout the project. Without his support the typing of this project would have been very tedious.

Last but not the least, my profound thanks go to the Department of English, Guru Nanak Dev University, Amritsar. I am extremely grateful to the library staff who have been very accommodating in all my academic needs. This work would have been incomplete without consulting the departmental and main libraries of Guru Nanak Dev University.
