ACKNOWLEDGEMENT

Praise be to Almighty who is the source of all knowledge and who created the pen. It is all due to his mercy and grace that I could complete this stupendous research work. Hence, my first and foremost duty is to offer my humble prayers to his blessings and sincere thanks to Him.

The study owes a great deal to the number of individuals and institutions.

I owe a great debt of gratitude to honourable Dr. Khaja Habibuddin, Research Guide in Political Science, Marathwada University, Aurangabad-431 004, for his inspiring guidance and expert supervision of my work.

I must thank the Department of Political Science, the Librarian, Marathwada University, Aurangabad.

I must also thank the Government of Iran and India for having given me permission to undertake my studies in India.
I would be failing in my duty if I do not thank my parents, brothers, sisters, father-in-law and mother-in-law, who have given me all moral and material support to undertake the study.

I thank my friends in Iran and in India for their co-operation.

I am particularly thankful to my wife and son for their whole-hearted co-operation who were deprived of my love and affection for a long time because of my absence from home.
