ACKNOWLEDGEMENTS

First and foremost, praises and thanks to God, the Almighty, to whom I owe my very existence. I would like to thank Him, who gave me the grace and privilege to pursue this programme and successfully complete it in spite of many challenges faced.

I take this opportunity to express my deepest gratitude to Dr K R Dhiman, Hon’ble Vice Chancellor, Dr Y S Parmar University of Horticulture and Forestry, Nauni for giving me the opportunity to pursue Ph. D as an in-service candidate. I am also grateful to IMD, Ministry of Earth Sciences, Govt. of India, N-Delhi for providing financial support to carry the Doctoral Research.

I shall remain indebted to Dr P K Khosla, Hon’ble Vice Chancellor, Shoolini University of Biotechnology and Management Sciences, Bajhol, Solan for encouragement. I am also grateful to Dr D K Khurana, former-Director Research, for his visionary support, valuable advices, unwavering guidance, constant encouragement, during the course of investigation and novel dexterity in sculpturing this manuscript as major advisor. I am also grateful to Sh. Atul Khosla, Dean Management Studies, for his encouragement and support by providing best opportunities to understand the analysis of research works through conducting various orientations and workshops. I am also grateful to Dr Sunil Puri, Dean Academics, for his valuable suggestions and constructive criticism in drafting the thesis.

I am also highly thankful to Dr O P Monga, Dr Kuldeep Rohje and Dr Kesari Singh, as esteemed members of my Advisory Committee, for their valuable suggestions in tailoring the questionnaire as well as in writing work of manuscript.

I am also highly thankful to Dr K.S. Verma and Dr S.K. Bhardwaj Heads Department of Environmental Science for their full support and co-operation during the study period.

I am also thankful to forest authority of Himachal Pradesh for their co-operation during field visits. I would like to pay high regards to Dr Ashok Chauhan, DFO, Solan Forest Division for his guidance, necessary data and directions for the progress of work in different forests of Solan forest Division.

I am also highly thankful to Dr Renu Sehjal, Range Officer, Dharampur Range, Solan for providing full support in conducting the experimentation works in Dharampur Range by providing necessary facilities and help of field staff throughout my research work.

I would like to pay high regards to my beloved parents and in-laws for their warm support, which brings belief and hope into my life. To my supportive husband Dr H S Baweja and my loving sons ; Prabh Simran Singh and Anukirat Singh whose love and patience have backed me up to keep moving on.

I express my special thanks to one and all who have been of invaluable help in writing and shaping the final drafting of thesis.
