ACKNOWLEDGEMENTS

It gives me great pleasure and pride to express my sincere gratitude to my teacher and guide, Bhatnagar Laureate, Dr. J. S. Yadav, FNA, FTWAS, Director, Indian Institute of Chemical Technology, Hyderabad for his expert and inspiring guidance, constant support, encouragement and practical suggestions. I am indebted to him for enlightening me on the finest skills of dealing with synthetic problems and I consider myself fortunate that it would have been impossible to achieve this goal without his support and care.

I express my sincere thanks and gratitude to Dr. M.S.R. Murty for his constant encouragement, valuable suggestions and help during the course of this work.

It gives me pleasure to express my gratitude to Dr. J.M. Rao, HOD, Organic Div-I, Dr. Ahmed kamal, Dr. G.V.M. Sharma, Dr. P. RadhaKrishna, Dr. Y.V.D. Nageswar, Dr. S. Chandrasekhar and Dr. B.V.S. Reddy for their support and encouragement during my tenure at IICT.

I take this opportunity to record my thanks to NMR division, Mass and IR spectroscopy divisions especially Dr. A.C. Kunwar, Dr. Sharma, Mr. Ravi and Mr. Raju (mass spectroscopy division) for their support.

I take this opportunity to express my thanks to Dr. Mahapatra and Dr. Saibal Das for giving me valuable suggestions in writing this thesis.

I am thankful to my childhood friends Shyam sundar, Umesh Reddy, Ramesh, Bhagath singh, Ravi kumar, Manga pathhi, Bhaskar raju, Gopal raju, Soma sekhar,
dattu, Kurmanadham, Srinivas, Rajesh, Rambabu, K. Srinivas, Narsing Rao, Apparao and Raju for their moral support and encouragement.

I am very thankful to my wife Suneetha, children Sricharan Reddy and Swara pallavi who always feel my happiness as their top priority and for their sacrifice in many aspects.

I am very thankful to my school teachers Ramaiah (mathematics) and Sai mohan (Biology); Telugu teacher Dr. M. Ramalinga swamy for their valuable suggestions, support and encouragement to pursue sciences for higher studies.

I express my sincere thanks to Mr. Krishna Rao, Director’s office for his continuous help during my tenure at IICT.

Financial support from Counsil of Scientific and Industrial Research (CSIR), New Delhi, in the form of Junior and Senior Research Fellowships is greatfully acknowledged.

Finally, I thank the Director, IICT and Vice-Chancellor, Sri Venkateswara University for allowing me to submit this thesis.
