ACKNOWLEDGEMENT

It is very difficult to express in words the sense of gratitude and reverence to my esteemed teacher and guide Dr. G.D. Gupta, M.S., D.O.M.S., Associate Professor and Head of the department of Ophthalmology, M.L.B. Medical College, Jhansi, for his inspiring guidance, sustained encouragement and untiring help. His constructive criticism constant impetus and unfathomable knowledge have really been a great help to me. I am greatly beholden to him.

I owe my sincere thanks to Dr. Lalji Verma, M.S., Senior Resident, Department of Ophthalmology, M.L.B. Medical College, Jhansi for his timely interception without his valuable suggestions, this work would have not been completed.

I also owe to my parents and elders whose blessings were always with me.

My life partner, Mamta, means a whole second existence to me, and if I ever think of thanking myself, I shall certainly consider her name before hand.

I also acknowledge Mr. K.C. Sharma for his skilled neat and faultless typing.
