ACKNOWLEDGEMENTS

First of all, I thank God for the wisdom and perseverance that He has been bestowed upon me during the research work and indeed throughout the life.

I am fortunate to undertake the present work under the luminous supervision of Dr. Mradula Mittal, Associate Professor, Department of Chemistry, D.A.V College, Muzaffarnagar. Her valuable suggestions, constructive criticism and encouragement enabled me to made this difficult work possible.

I am thankful to respected Dr. P.K Saxena, Principal, D.A.V College, Muzaffarnagar, for providing necessary facilities to carry out this research work.

I am beholden beyond words to Dr. P. Bahadur, Former Head, Department of Chemistry, Smt. Kalpana, Head of the Department and all other faculty members of the Department of Chemistry for their assistance, suggestions and support during the course of investigation. The cooperation from non-teaching staff of the Chemistry Department also merits a special mention.

Words can hardly express my gratitude to Dr. M.P Dobhal, Associate Professor, Department of Chemistry, University of Rajasthan, Jaipur for his kind permission and help to carry out the important part of my research work at his place.

I extend my heartiest gratitude to Dr. Payal Goel, Lecturer, Bioscience Department, D.A.V College, Muzaffarnagar for her help and support in my research work.

I am thankful to friendly and cheerful group of fellow students Dr. Dinesh, Smt. Renu and Smt. Monica for their help and moral support.
Mr. Peeyush Goel and Bhanu Dhiman deserves praise and thankfulness for their special skills in the preparation my thesis.

I am short of words to express my gratitude to my parents in laws, Shri. Ashok Kr. Jain and Smt. Madhu Jain, who provide a carefree environment for me so that I could concentrate on my studies. I am thankful to my father, Shri Surendera Kr. Jain, for his special emotional support, which is always with me. My children, Shubham Jain and Naman Jain, also deserves a special mention for their love and support without which it was not possible to complete the work.

Finally, I would like to thank my husband, Mr. Amit Jain, he is always there cheering me up and stood by me through the good times and bad.
