ACKNOWLEDGEMENT

I am immensely pleased to place in record my heartfelt thanks to my guide Dr. Sunil Gaikwad, Associate professor, Department of Geography, S.P. College, Pune, whose invaluable guidance, encouragement and support made it possible for me to complete my Ph. D. work in the geography. Despite of his busy schedule he was always available to me. It was his resounding knowledge of the subject and the vast field experience which were instrumental in enabling me to take this work to its logical conclusion. I am highly indebted to him for all he did for me. I appreciate his valuable criticism and concern in the progress and presentation of my thesis and very useful suggestions at every stage of this research work. His positive and generous nature helped me to learn correct ways of doing things. His guidance, encouragement, supports and excellence in the subject has resulted in this work. His keen interest, patience and constant guidance have been a source of inspiration for me throughout the work.

I have a great pleasure in expressing my sincere gratitude towards Vice Chancellor, Dr. Deepak Tilak, the Registrar Dr. Umesh Keskar, Prof. Shrikant Karlekar, Dean, Faculty of Moral and Social sciences, Dr. Bhagyashri Yargop, Head, Department of Geography, Prof. Ganesh Dhendge TMV and all administrative staff of Tilak Maharashtra Vidyapeeth, Pune for their co-operation and all types of support throughout the research work.

I am also thankful to Principal Dr. Sanjay Chakane Arts, Science and Commerce College, Indapur. I express my sincere thanks to Prof. B. D. Baravkar, Head, Department of Geography, Arts Science and Commerce College Indapur. I am also thankful to my friend and colleague Prof. G. N. Meshram, Prof. S. B. Shinde, Prof. A. K. Phalphale, Prof. M. S. Mulani and Prof. Devkar D. S. I also like to thank all the teachers and non teaching staff of the college for their co-operation throughout the research work.

I am grateful to the Revenue Department of Indapur tahsil office, Panchyat Samiti, Agriculture office, Indapur, Nira irrigation office, Baramati, Khadakwasala irrigation office, Daund, Indapur Municipality office and all industrial officers for their help in the data collection.
I am thankful to Mr. Jamdade for fruitful discussion to understand some of the problems regarding water conservation and distribution. His reference has helped me to procure a lot of secondary data from various offices. I would like to thank Mr. Praveen Raut for helping me in water tank design and estimation. They have been there for me, spending their precious time in discussing the every small thing about my work.

I would like to express my cordial gratitude and indebtedness to Dr. Avinash Kandekar, Dr. Avinash Shelar, Prof. Praveen Kamble, Dr. Vilas Buwa and Prof. Sanjay Khilare for their co-operation and full support throughout the research work. Their company was always a source of satisfaction for me. Their keen interest in my research always encouraged me to work with patience, dedication and sincerity. I would like thanks to my friends Dr. Vila Kambale, Dr. Rajaram Choudhar, Dr. Sunil Ogale, Dr. Ananda Gangurde, Prof. Sanjay Khomane and Mr. Sanjay Jagtap for their never ending support and encouragement throughout the research work. I thank Prof. Praveen Gaikwad, Mr. Amog Kadage and Miss. Barnali Das for helping me in my GIS work and computer typing. Last but not the least, I owe indebtedness to my wife Mrs. Swati Dhobale who not only encouraged me but also appreciated and supported in all way. My daughter Diksha, Damini and Son Himanshu often complained for not giving them enough time but they help me in field work, data sorting and played a crucial role by entertaining my tired mind. I am also thankful to all those who might have inadvertently failed to mention here, but have made positive contribution in successful completion of this research work.
