ACKNOWLEDGEMENT

It is a pleasant feeling for me to have this opportunity to express my gratitude for all of them who have been accompanied and supported throughout the time I spent working for my doctoral studies.

With great pleasure I take this opportunity to express my gratitude and indebtedness to Prof. Ashok Kumar, Department of Statistics, Maharshi Dayanand University, Rohtak for his efficient supervision, keen interest, valuable guidance and encouragement during the presentation of the work both for publication and for the thesis. Without his benevolent interest, it would not have been possible for me to complete this research work.

I am grateful to Prof. Shashi Bahl, Prof. Madhulika Dube, Prof. Preeti Gupta Dr. S.C. Malik, Reader, Dr. (Mrs.) Ratna Raj Laxmi, Reader, Dr. Gulshan Taneja, Lecturer and Dr. Rajeev Kumar, Lecturer, Department of Statistics, M.D. University, Rohtak for their help during my research work.

I also acknowledge with appreciation my deep sense of gratitude to Dr. (Mrs) Madhu Gupta, Reader in Education, Directorate of Distance Education, M.D. University Rohtak for her motivation and moral support during my research work.

My Sincere thanks are also due to Dr. Sanjeev Kumar, Dr. Vijay Kumar, Mr. Chand Vir and Mr. Mukesh Kaushik for valuable support during the completion of this work.

I would also like to express my hearty feelings for my parents and my brothers Tarun, Sunny and Mani who have directly or indirectly helped me at various stages and provided inspirational support and encouragement during my research work.

I am also grateful to University Research Committee, M.D.U., Rohtak, for awarding me the University Research Scholarship. I have made every effort to acknowledge credits but it is not exhaustive. Acknowledging contribution of
guide, teachers, friends, family members and well-wishers in a limited space is not so easy. Each word of this work symbolises the valuable contribution, inspiration, motivation and support of all and that can’t be put in words.

Above all, I thank God, the Almighty for showering his blessing upon me.
