INSTRUCTIONS

The purpose of this scale is to measure socio-economic status of your family. The scale comprises of 40 statements on different dimensions of socio-economic position. Each question is followed by several possible answers. Please read them carefully. You have to select one answer which best reflects the socio-economic status of your family and put a check [ ] against that answer in the separate answer sheet provided to you. Please do not write anything on this question booklet. Information furnished by you will be kept confidential and will be used for research purposes only, so you are requested to provide your responses intelligently and frankly.
