Name of the School :

Instructions:

The Present Interview Schedule consists of 27 items and its sub-items aimed to study the infrastructural, co-curricular and recreational, medical, parent-teacher association, uniform, midday meal and transportation facilities and academic support availed by you in the school where you are presently reading. Investigator will explain the items one by one in a very clear and precise manner by making the items easily understandable. Please listen to each statement and decide how you feel about it. In some items the teacher will respond in lieu of you. You are requested to put a tick mark ( ✓ ) against the probable answer in the form of YES/NO option which you feel is the best for that item. Please respond to each item. There is no time limit, even then answer quickly. All the information provided by you, are not to be used other than research purpose and will be considered as very confidential. Therefore, be confident, feel free and mark your answers frankly without any fear or hesitation.
1. **Data of the School**
