ACKNOWLEDGEMENT

To begin with, I stand in reverence to pay obeisance to the Almighty for his abundant blessings that has guided me throughout in successfully completing this doctoral research.

I sincerely thank the Members of Management, Cauvery College For Women, Trichirappalli for their constant support and motivation with regard to this research work.

I owe my profound gratitude to our beloved Principal, Dr. Mrs. V. Sujatha, Cauvery College For Women, Trichirappalli who initiated me into this work and who was a perennial source of inspiration.

I am deeply indebted to my guide Dr. A. Srinivasan, Reader, Department of Mathematics, Bishop Heber College, Trichirapalli, for helping me with his scholarly expertise to form, plan and carry out this research to a success. His academic suggestions and expository analysis helped me broaden my sphere of study. The absolute trust and freedom imposed on me aided me to develop an independent interpretation of the work undertaken. I sincerely acknowledge the patient and timely help that was of immeasurable support and encouragement to me.
I record my thanks to Dr. M.M.D. Boominathan, Principal, Bishop Heber College, Trichirapalli for his unconditional co-operation extended to me.

It is my bounden duty to thank Rt.Rev.Dr.D.James Srinivasan, the Bishop and Chairman of the governing Board of Bishop Heber College, Trichy for their able assistance during the tenure of my research work.

I would record my heartfelt thanks to Prof.D.Swami Raj, Director, Bishop Heber College, Trichirapalli for his valuable advice and help to finish my research programme.

I would like to express my hearty thanks to Dr. Valarmathi, Head I/C, Department of Mathematics, Bishop Heber College for the interest and involvement shown by her towards this project.

I gratefully acknowledge the care and concern of my friends in Bishop Heber College and St. Joseph’s College that kept me moving.

It is a pleasure for me to record my deep thanks to our Vice Principals, Dr.Mrs .M.UmaSelvi and Dr.Mrs.S.Sankari for their unconditional co-operation extended to me.

A very special word of appreciation to all the staff of my Department who were very understanding and who were willing to assist me wholeheartedly in all possible ways.
I thank Mrs. Sasikala, and Ms. Vanitha, Devi and Anbuvalli of my Department with all my heart having lent their hand in times of need.

Special thanks to Ms. Mathumathi of my Department for her persevering and enduring efforts taken in helping me all throughout.

I sincerely thank Ms. Anitha, Department of English for her readiness to work and for her suggestions that was fruitful.

I am thankful to Mr. Raja and Saratha Computers, Trichy for meticulously typing and designing my thesis.

Bound with duty and affection, I am obliged to thank my parents and especially my mother. Her words were instrumental in the making of this research and are still deeply recorded in my memory.

I am exceedingly thankful to my family members and my Husband for beside with me like a pillar and providing me with the essential moral and psychological strength.

I fondly and lovingly remember the little concerns that were taken care of by my children Meera and Dharshini without whom my spirits would not have been in good stead. I would like to bring to the fore the sacrifices made by them regarding my work.
