ACKNOWLEDGEMENT

This study has been made possible by the positive cooperation and help of a number of resource persons, University authorities, employees of sample mills and many others and I wish to place on record my gratitude and thanks to them.

Initially, I wish to thank Dr. K. Venkatasubramanian, M.A., B.L., B.T., Ph.D., Vice Chancellor, Pondicherry University, Pondicherry for providing an opportunity to me to do this doctoral research in this University.

I have completed this work under the valuable guidance of Dr. D. Rajagopalan, M.Com., M.Phil., Ph.D., Professor and Head, Department of Commerce, Pondicherry University. He has been a source of inspiration to this research and his useful suggestions were of immense help at the different stages of this work. Words are inadequate to express the enormous support he rendered to me. I express my deep sense of gratitude and heart-felt thanks to him for his supervision and encouragement.

The credit for suggesting the sampling techniques, statistical device for the analysis and processing of data and also for giving proper interpretation for the computed results, completely goes to Dr. S.V. Hariharan, M.A., M.Sc., A.M.A., Ph.D., Reader in International Economics, School of International Studies, Pondicherry University. I have utilised his guidance and suggestions in writing.
the thesis also. I express my sincere thanks to him for devoting a lot of time and effort for my research work.

I also wish to thank Dr. N. Thanulingam, M.Com., Ph.D., Professor and Head, Department of Commerce, Madurai Kamaraj University who has constantly encouraged me to complete this research work successfully. My special word of thanks to Dr. J. Jeyabalaji, M.A., M.Phil., Ph.D., Professor of Economics, Scott Christian College, Nagercoil, for going through the manuscript and suggesting appropriate modification towards the perfection of the thesis.

The management of Swadeshi Mills and Bharathi Mills and the sample employees have extended maximum possible co-operation in collecting the necessary primary data and I am indebted to all of them. I also thank all the members of faculty, staff and fellow researchers in the Department of Commerce, Pondicherry University, for extending their moral support.

Towards the end of my research work, ICSSR, New Delhi has given financial assistance for a period of six months. My thanks are also due to the authorities of the ICSSR. Finally, I wish to thank Mr. R. Kumar, B.Com., (Prop: RENUKA ELECTRONIC JOB-TYPING CENTRE, Pondicherry) for neat typing of the thesis in a record time.
