ACKNOWLEDGEMENT

Present study is the product of the interaction of a number of minds. Knowingly and unknowingly, many people have contributed to the completion of this study. Therefore, I earnestly thank all those who have helped me in the pursuit of my research.

At this ecstatic time of presenting my thesis, I find myself unable to elucidate in words my genial feelings of indebtedness and unfeigned gratefulness to my esteemed teacher and guide, Dr. Sudhir Kumar Bansal, Reader, Department of Geography, Maharshi Dayanand University, Rohtak for his constructive and over available guidance, incessant inspiration and valuable suggestions at all the stages of this mammoth project. I find myself highly fortunate and gratefully privileged to have worked under his supervision. Without his keen interest and untiring involvement at all stages of the work, this challenging task could not have become completed.

I am extremely thankful to Dr. S.H. Ansari, Professor & Head, Deptt. of Geography, M.D. University, Rohtak for providing me all necessary facilities from the department as well as for his encouragement for better performance.

I am highly obliged to Dr. M.I. Hassan, Professor, Department of Geography, M.D. University, Rohtak for his concrete suggestions at various stages. I owe him enormous personal debt for his sustained encouragement, selfless efforts, valuable suggestions and perceptive criticism.

My sincere thanks are due to the other faculty members of the department including Dr. Nina Singh, Dr. Binu Sangwan, Dr. Sachinder Singh and Dr. K.V. Chamar for their kind suggestions and nice cooperation given to me during my study period.

I am also thankful to other faculty members of non-teaching staff of the Department for their generous help extended directly and indirectly from time to time, related to their respective job pursuit.

I record my appreciation for cooperation rendered by central library staff of M.D. University, Rohtak, J.N.U., New Delhi, Ratan Tata Library, Delhi University, New Delhi, K.U. Kurukshetra and Census Library, R.K. Puram, New Delhi.

I am extremely thankful to the members of Research and Scholarship Branch and conduct branch of M.D.University, Rohtak, who solved every problem related to administrative work during research.

I am deeply thankful to Mr. R.S. Lodha, Head of the Department, P.W.D., B.&R, Head Office, Chandigarh, who has provided useful data related to road network and discussed other problems related to the same.

I am also indebted to Mr. Sachin Bhardwaj, Director and Mr. Gaurav Jhamb, ERP Manager, Institute of Geoinformatics and Technology, Gurgaon, who helped me to use GIS technique in my study.
I wish to thank Mr. R.S. Gulia, Reception Officer, Ministry of Home Affairs, Govt. of India, New Delhi for his nice cooperation during my visit of Census library.

I would like to thank Dr. Darshna, Head, Department of Geography, Government College for Women, Rohtak for her academic guidance at the initial stage of research work.

I owe my sincere thank to many officials of the Public Works Department Haryana, Town and Country Planning, Haryana and Statistical Department of Haryana for providing me the necessary documents and data.

I express my pleasure to thank Dr. Vasudha Maitra, Lecturer in English, Govt. College Haileymandi to help me in improving all my written material, and to make this a better research work.

I owe my gratitude to various authors whose works have been consulted and quoted in the present research work.

No words can adequately express my gratitude to my family. I am beholden to my in laws and parents for their encouragement and blessings, especially my father in law Sh. Umesh Chander Singh, who enabled me to complete my work. His steadfast support and endurance have helped me immensely. I convey my deepest affection and appreciation to my sister-in-law Neha, my brother Sudhir and Sister Rekha for their generous help and support during the course of study.

My husband, Mr. Ravinder Kumar Dabas, as always, has been my greatest source of strength and inspiration thus enabling me to complete the present work. To him, I sincerely say, “Thank you” in bringing me at this apex.

I convey my affection to my son Vihaan, for his naughty and stupid activities and lovely talk to relax me from tension during the tedious course of work.

Last but not the least, my special thanks are reserved for Mr. Raj Kumar Pahwa M/S S.S. Computer Centre, and Mr. Angesh Bansal M/s ‘I’ SOL Computers, Rohtak for cartographic work and deep appreciation to all those friends and relatives who remained my strength throughout and have made it possible to complete this research work.

Finally, I bow and thank God Almighty for all.
