PREFACE

The topic *Tamil Nadu Cricket Association - A Study* has been selected for research since the scholar himself is a cricket player. As a result of his unceasing interest in the game and also, the various responsibilities he has held from time to time, the writer of the study felt an urge to study systematically the introduction and development of game Cricket in India in general and the development of the game in Tamil Nadu in particular.

I would like to acknowledge my deep sense of gratitude and indebtedness to my Research guide Dr. Dr.N.Rajendran, Professor and Head of the Department of History, Bharathidasan University, Tiruchirapalli for selecting me as a research scholar and for permitting me to work under his expert guidance. Right from the day the decision to work on this theme was taken; he took active and personal interest in my work and guided me with utmost interest and patience at every stage of this work. He put up with my failings, bore with patience my shortcomings and encouraged me to pursue my work with confidence. In spite of his heavy schedule and academic responsibilities I got unfailing and prompt help from him throughout the period of my research programme and he unhesitatingly spared several hours for discussion sessions with me. He is a hard task master and demands conscientious, prompt and first rate academic work from his scholars. It was a rare privilege and illuminating experience for me to learn under such a great teacher and it is very difficult to acknowledge what I owe to him in the preparation and the completion of this thesis which
would have been impossible but for his inspiring guidance and unfailing support.

I would like to record my great sense of gratitude to Prof. A. Arul Marianathan, former Principal of Tranquebar Bishop Manickam College, Porayar but for his large heartedness I would not have got study leave to pursue my research work. I am ever grateful to him for his care, concern and goodwill for me.

I also remember with gratitude Prof. V. Thiagesan Daniel Prabhakar and Prof. Sekaran, former Heads of the Department of History, TBML College, Porayar, and Dr. C. Venkatesan, Rtd, Professor of History, Presidency College, Madras and thank them for their valuable suggestions and advice.

I also like to thank Mr. Samuel Santhosam, Head of the Department and other members of the Department of History TBML College, Porayar for their kind help and co-operation during my course in the Department.
