Acknowledgement

It is my pleasure to express my sincere thanks and deepest gratitude to all those people who led their unconditional support as well as guidance and assistance during the period of my doctoral study. My deepest regards goes to my PhD supervisor Dr. Shakil Ahmed for allowing me to join his lab. It is my privilege to express my sincere gratitude to him for his inspiring guidance, enduring patience, constructive criticisms and constant encouragement throughout the period of this investigation. I am indebted to him for my entire life. At the end of my long association with him, I can say that it has been great learning and honor to work with him.

It is an honor for me to acknowledge our former directors Dr. C.M. Gupta and Dr. Rakesh Tuli and present director Dr. T.K. Chakraborty for providing excellent environment at the institute for pursuit of science.

My sincere thanks to all the faculty members of Molecular and Structural Biology Division; Dr. Saman Habib (scientist-in-charge), Late Dr. Vinod Bhakuni, Dr. P.R. Maulik, Dr. Ashish Arora, Dr. R. Ravishankar, Dr. J.V. Pratap, Dr. M.I. Siddiqui, Dr. Amogh A. Sahasrabuddhe, Dr. J.K. Ghosh, Dr. Sohail Akhtar, Dr. Tejendra and Dr. D. Banerjee for their constructive criticism, valuable discussions, suggestions and for providing reagents, instrument facilities throughout the study. Thanks to Ruchir Kant, Anupam Jain and Sarita for helping me with all types of technical problems. J.P. Srivastava, R.K. Srivastava, H.K. Khulve and Radhey Shyam are thanked for their assistance.

Mr. Achchhe Lal Vishwakarma, Dr. Kalyan Mitra and Ms. Garima of Sophisticated Analytical Instrumentation Facility (SAIF) of CDRI are acknowledged for their help in collecting flow cytometric and confocal microscopic data. I am thankful to Dr. Anil Gaikwad for inspiring me to do my best and for free access to use spectrophotometer and Dr. S.K. Rath for allowing me to use epiflourescent microscope in his lab.
It is my pleasure to thank all my seniors and colleagues who always encouraged me and stood by me in every situation and provided pleasant environment during my stay. Thank you Timir sir for your guidance throughout my research work, you taught me how to prepare reports, presentations and answered my silly questions with unmatchable patience. Thanks to Aqeel, Sarvind, Vandana and Amit Luthra for your help in initial days of my research. Thanks to my lab mates Sudhanshu, Rajiv, Gaurav, Amit and Saman for fruitful discussions, helping me in experiments and creating an electrifying environment in lab.

Saurabh Pratap Singh, special thanks to you buddy, together we spent many moments which I will cherish throughout my life. I would like to thank my friends Anjum, Amit Singh, Sarfuddin, Ashok, Rahul, Anuj, Mradul, Deepti, Taran, Afreen, Pragati and Sharan for their constructive discussions which helped me a lot. My old pals Virendra, Ashima made my stay at Lucknow a memorable one.

My heartily thanks to my childhood friends Praveen, Satendra and Brijendra, whom I have never hesitated to ask for help and who never hesitated to help. Help by Dilip and Umesh is highly appreciated.

I am thankful to my Mama Ji, former MLA of Umarda, Kannauj; Mr. Kailash Singh Rajput for providing accommodation and taking care of me, during my stay in Lucknow.

I am unable to express my gratitude in words to my parents. I can achieve any goal with your blessings. My heart says that my Maa Papa is the greatest parent in the world and comes above Almighty. Navneet, my dear brother, Ragini, my loving sister I need not to thank you; I know you guys will be always with me. Your love and affection always inspired me to do my best.

I acknowledge the financial assistance from UGC as Junior Research Fellowship and Senior Research Fellowship during the tenure of my doctoral study.
