This thesis is the end of journey in obtaining Ph.D. I have not travelled in a vacuum in this journey. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people. I would like to thank all those people who made this thesis possible and an unforgettable experience for me. At the end of the thesis, it is a pleasure to convey my gratitude to them in my humble acknowledgement.

I gratefully thank to my in-laws Mr. D. P. Sharma, Mrs. Babita Sharma, my brother in-law Mr. Tarun Sharma and my sister in-law Mrs. Swarnika Tripathi for their consistent support throughout my work. They play manifest role in Ph.D. completion.

I would like to express a load of thanks to my husband Mr. Varun Sharma who has always been a source of strength, unstinted support and spontaneous willingness to stand by me. Words are really less to explain his support.

My lovely kids Era and Arin also deserve special mention as they never interrupt me while doing research work.

I wish to express my deepest heartfelt gratitude to my father Shri Lakshman Swarup Sharma and my mother Mrs. Prabha Sharma. They have been a constant source of inspiration to me throughout my endeavours.

I thank to God for giving me strength and courage to face the hardships of research and life.
