ACKNOWLEDGEMENTS

I have great pleasure in expressing my deep sense of gratitude to my research guide Dr. B. B. Shukla, Reader and Head, Department of Library and Information Science, S. B. (Govt.) Women's College, Cuttack, Orissa (India) for his sincere guidance to my research project entitled "Bibliometric Analysis of Scientific Productivity of Biomedical and Health Science Research Journals in India" and his constant encouragements for the completion of the work without which it would not have been possible to complete the work.

I am deeply indebted to Dr. K. Satyanarayana, Director, Regional Medical Research Centre (ICMR), Bhubaneswar for his kind advice and encouragement for collecting MEDLINE data from the library of National Institute of Nutrition (ICMR), Hyderabad, without which the work would have been incomplete. My grateful thanks are due to Mr. K. Sampathachary, Documentation Officer, National Institute of Nutrition, Hyderabad in extending his cooperation for the collection of data during my research.

I am extremely grateful to Dr. K.A.V.R. Krishnamachary, Ex-Director, Regional Medical Research Centre (ICMR), Bhubaneswar for his encouragement and permission for Ph.D. registration in Library & Information Science on the above topic.

I am very much grateful to Prof. M. Mohapatra, Dr. G. Mohapatra and other faculty members of the P. G. Dept. of Library and Information Science, Utkal University, Vani Vihar for their valuable suggestion and cooperation during my
research. I also gratefully acknowledge to Mr. D. B. Ramesh, Documentary Officer, D. P. Sandha and Mr. B. K. Dalai of RRL, Bhubaneswar for their valuable advice. I am gratefully acknowledge the support and help of the scientists of INSDOC, New Delhi and DRIC, Bangalore for their timely help at every step of my research work.

I extend a sense of gratitude to all senior scientists of Regional Medical Research Centre (ICMR), Bhubaneswar for their suggestion and encouragement. I am also very much thankful to Dr. B. V. Babu, Senior Research Officer (Social Science) for his kind cooperation during the time of analysis of data for this research project.

It is a pleasure to express my sincere thanks to Dr. M. K. Beuria, Dr. A. K. Satapathy, Dr. B. B. Pal, Dr. B. P. Dash and Mr. A. S. Acharya for their cooperation for this work. My thanks also due to Mr. C. D. Nayak and Mr. R. S. Bahadur for their cooperation in my library.

I must thank to Mr. B. K. Das, Director, Saraswata Institute of Education & Training (SIEET) and Mr. Dibyendu Shekhar Das for their help in designing and final touch-up to this thesis.

I am very much thankful to my wife Sasmita for her constant encouragement, cooperation and inspiration which helped me to move ahead for successful completion of my Ph.D. work.

Finally, I owe much to my parents and other family members for their constant moral support for completion of my research work.
