ACKNOWLEDGEMENTS

First of all I wish to express my deepest sense of gratitude and indebtedness towards my parents and all my teachers of the present and past, who deserve the entire credit of all my insignificant accomplishment.

Probably, words fail to express my profound gratitude to Prof. H.N. Saxena, M.D., D.M.R.E., Professor & Head of the Department of Radiology, M.L.B. Medical College, Jhansi, for his magnificent guidance and invaluable help which has contributed immeasurable amounts towards the successful completion of this work. The fatherly shelter of his learned and vast experience, has enlightened my path constantly which made this dream come true. I remain deeply indebted to him.

I wish to pay my deepest regards, to Dr. A.K. Gupta, M.D., Associate Professor, Department of Radiology, M.L.B. Medical College, Jhansi, not only for his excellent guidance for this work but for being an erudite teacher, whose slightest inspiration and a single drop of his mectorous knowledge can enlighten the life of the dullest being.
I feel highly obliged to Dr. (Mrs.) Sheila Longia, M.D., Associate Professor, Department of Pediatrics, M.L.B. Medical College, Jhansi, for her expert guidance, valuable advice and constructive criticism at every juncture. I am thankful to her for helping me in providing useful material related to Malnutrition.

I am also thankful to my teachers Dr. T.B.L. Jaiswal, M.D., Associate Professor, and Dr. Ganesh Kumar, M.D., Assistant Professor in the Department of Radiology, M.L.B. Medical College, Jhansi, for their constant help and valuable suggestions.

My special thanks to the technicians in the Department of Radiology, who helped in the radiography of the patients during this work.

It is most apt at this juncture to remember all my friends and colleagues of the department for their help and co-operation in this work.

I shall ever remain thankful to Mr. K.M. Thomas for his skilled, neat and faultless typing.
