ACKNOWLEDGEMENT

With folded hands and soaked eyes, I bow to the Almighty God who bestowed upon me His kind blessings and gave me the strength to accomplish this task.

I would like to express my sincere appreciation to Scientist and Supervisor Dr. Sadhna Tripathi (Scientist-G), Forest Products Division, Forest Research Institute, Dehradun for believing in me and for the fruitful and interesting discussions we have had over the years. Her technical advice, expertise, patience, and encouragement throughout my doctoral studies, made the accomplishment of this research project possible. When taking on any highly technical project in an unfamiliar area, one cannot ask for a better mentor. I never left her office without having learnt something new, and any signs of a researcher to be found in me are due to her. I sincerely thank her for the support and guidance.

I express my deep and sincere gratitude to Dr. Savita, the then Director, Forest Research Institute Dehradun; Dr. S.P.S. Rawat, Dean FRI (Deemed) University and Dr. A.K. Tripathi Registrar, FRI (Deemed) University, Dehradun for allowing me to conduct the research work in the institute and providing the facilities to carry out this work.

It is my privilege to acknowledge the R.A.C. chairman Shri. S.S. Rajput, Former Head Forest Products Division FRI Dehradun; Dr. Kishan Kumar V.S. Member Secretary and Head Forest Products Division, Expert members R.A.C. Shri. S.P. Badoni, Former Head Forest products Division FRI Dehradun; Dr. Y.M. Dubey, Scientist Forest Products Division FRI Dehradun, Dr. P.K. Pandey Scientist Botany Division FRI Dehradun and Dr. Raman Naytial, Scientist, Forest Statistics Division, ICFRE, Dehradun for their constructive criticism, valuable suggestions and advice from time to time during the entire course of the study.
