ACKNOWLEDGEMENT

I am deeply indebted to my guide Dr. Abhay N. Buchha, Amravati for his invaluable and generous guidance, strong motivation, constant encouragement and sympathetic consideration for my difficulties every time. He gave me real freedom and encouragement to pursue the research as well as trusted me very often times more than myself during the course of my investigation and preparation of thesis.

Also I am greatly indebted to Dr. Dabir - Ur - Rahman Qureshi Sir and desire to remain so throughout my life.

Lastly, thanks to all of them who helped me with their inexhaustible patience, love and encouragement directly and indirectly for anything without them life would have been hard and become lonesome either as a person or as a scholar.
