ACKNOWLEDGEMENTS

Its a matter of great pride and honour for me to acknowledge all the help and guidance provided to me by my Gurus, friends and relatives while working to complete my doctoral thesis. When it takes shape and it is submitted successfully, its like a big battle won and a dream come true. I humbly want to acknowledge the help and guidance given to me by my well wishers from the depth of my heart. To begin with, I would like to thank my Gurus and guide Dr.Rajendrasinh Jadeja and Dr.Piyush Joshi. Dr.Rajendrasinh Jadeja has been a constant source of inspiration, right from the beginning. He has displayed great patience throughout and has been a wonderful Guru and guide. Dr, Piyush Joshi is another person without whom my task wouldn’t have been complete. He gave me his invaluable suggestions and guidance, along with much needed motivation and encouragement to keep me going. I would like to express my heartfelt gratitude to both. I am also very thankful to Dr. Sunil Shah and Dhrunal K.Patel for sparing their precious time out of their busy schedules. They have been very supportive and have always provided their useful suggestions and help whenever required. I owe a special thanks to my parents who always prayed for my success and were always curious to know about my progress, while I was working to complete the thesis. My wife and children have been my constant well-wishers. My wife, Vinayraj deserves a special mention here because she was a constant source of support and at times a staunch critic. My daughter Bhuvneshwari and son Yashraj have been very helpful and encouraging throughout. I am equally grateful to my relatives and colleagues for showing their concern for me. Above all I thank the almighty to help realize my dream and being with me all the time. I believe that all our actions are geared to reach our goal which will be accomplished without anxiety or worry, if we take care of the work right at hand. Finally, in the words of Emerson

“Don’t waste life in doubts and fears; spend yourself on the work before you, well assured that the right performance of this hour’s duties will be the best preparation for the hours or ages that follow it.”
