I dedicate this thesis
at the lotus feet of my lord

Bhagawan Sri Sathya Sai Baba
ACKNOWLEDGEMENTS

I would like to express my deep-felt thanks to my thesis supervisor Professor P. Premchand for his inspirational advice, support, unselfish help and for patiently supervising, guiding and encouraging me with insightful ideas.

I would like to give my heartfelt thanks to my thesis co-supervisor Professor A. Govardhan who accepted me as his Ph.D student and also helped me in finding my thesis supervisor. Thereafter, sir offered continuous support to my Ph.D study and research with his patience, motivation, enthusiasm and immense knowledge. His guidance helped me in all the time of research and writing standard papers and targeting standard journals. I could not have imagined having a better advisor and a mentor for my Ph.D study.

I would like to express my sincere thanks to Professor B. Krishna Gandhi, First Vice Chancellor of JNTUA Anantapur for giving me transfer which brought me back my parents, for which I am morally boosted to carry my research work with more enthusiasm and more faster.

I would like to thank Professor V. Shankar, Registrar JNTUA Anantapur, Professor K.B.Chandra Sekhar, Director of Evaluation, Professor K.S.R.Anjaneyulu, Director of R and D and Dr. E. Keshava Reddy, Controller of Examinations for their encouragement, help and cooperation.

I would like to thank Professor A. Ananda Rao, Principal, JNTUACE Anantapur, Dr. B. Eswara Reddy, HOD, Department of CSE, JNTUACE Anantapur,
**Dr. P. Chenna Reddy**, HOD, Department of CSE, JNTUACE Pulivendula for their encouragement to complete my work and helping at all stages with their guidance and motivation.

Information Retrieval (IR) is a vast field and there are a number of organizations and people who have increased my understanding and influenced my thinking in this area. **CIIL Mysore** for providing Telugu corpus, **TAC (Text Analysis Conference)** for providing the AQUAINT-2 Information-Retrieval Text Research Collections, **FIRE (Forum for Information Retrieval Evaluation)** for conducting Winter School which gave me many insights on the functioning of the complete CLIR system, **Dr. L. Ram Moorthy, M. M. Yoonus, LDC-IL, CIIL, Mysore** for providing filtered alphabetical order Telugu corpus, **S. Sethuramalingam** of IIIT Hyderabad for his help to understand the evaluation procedure, **Amaresh Kumar Pandey** of NSN-Chengdu, China for his techniques to evaluate stemmer.

I would like to acknowledge **Dr. M. Suryanarayana Reddy** of JNTUACE Pulivendula, **Dr. R. Praveen Sam**, HOD, Department of CSE, SSCE&T, Kurnool and **B. Rajendra Prasad**, Jr Asst, JNTUA for their help in thesis lining and formatting.

I am grateful to the authorities of Jawaharlal Nehru Technological University Anantapur, Anantapur for enabling me to pursue my research work. I am very much thankful to all teaching, non-teaching and outsourcing staff at JNTUA, JNTUA College of Engineering Anantapur and Pulivendula who has been very cooperative during this period.

I would like to express my gratitude to my parents, brother A.P. Lokesh , his wife V. Rani , Sister A.P. Bhuvaneshwari and her son T. Nitin Kumar for their understanding and support throughout my work.

Finally my deepest gratitude to my wife C. Padmavathi for her personal support and great patience at all times, my daughter A.P. Tejasvi always relieving my tensions with her beautiful smile and playing.

A.P. Siva Kumar
