ACKNOWLEDGEMENTS

I gratefully acknowledge the unaccountable help provided for the completion of this work by Dr. S.C. Sahni M.S., Reader in Orthopaedics, N.L.M. Medical College, Jhansi. His masterly guidance and disarming criticism set the trend and pace for this work.

For Dr. (Mrs.) Sunita Saxena M.D., Lecturer in Pathology, I have a feeling of sincere gratefulness. She has been too kind to help me at every stage of this work.

I have the deepest respect and sense of perpetual indebtedness for Prof. F. K. Sahay M.S., Head of the Department of Orthopaedics, who constantly provided the confidence and enthusiasm, so essentially vital to carry through such a project.

I can never forget the everhelping attitude and heartening words of Prof. K. L. Saxena M.D., D.N.B., Head of the Department of Radiology and Prof. V. P. N. Vital M.D., Head of the Department of Pathology, who carefully guided and supervised the various aspects of this study throughout.
I am highly obliged to Dr. D.K. Gupta M.S., Lecturer in Orthopaedics, Dr. P. Sahi M.D., Lecturer in Anaesthesiology and Dr. O.P. Kharbanda M.D.S., Lecturer in Dental Surgery for helping me all the time.

All my friends and colleagues like Dr. Kuldeep Saman, Dr. M.S. Bhatt, Dr. Pradeep Mehta, Dr. Ravi Shanker, Dr. N. Gang, Dr. Rakesh Sharma and Dr. A.J. Singh, whose cooperation and painstaking help are unaccountable, need a special thanks.

I am particularly thankful to Sister M. Iype, Staff Nurse Sathisama, S; Mr. Juna Singh, Laboratory Technician in the Department of Microbiology and the other technical staff of the Department of Radiology, for providing valuable help to complete this work.

Mr. D. P. Tivari and Mr. Rakesh Tivari have typed and worked on the manuscript assiduously, I am sincerely thankful to them.
