ACKNOWLEDGEMENT

I am exceedingly indebted to my worthy guide and supervisor Dr. Surinder Kumar Sharma Lecturer Department of Physical Education Himachal Pradesh University Shimla -5, for his benign guidance, supporting attitude, constructive, criticism, cheerful encouragement and sense of patience throughout the period of study. In spite of his busy schedule he always found time to guide me. I feel myself to be fortunate in having worked under his able guidance. But for his keen personal involvement the research work would not have acquired its present shape, for which I shall ever be grateful to him.

I wish express my deep regards to Prof. Y.P Sharma, Chairman of the Department and all other members of teaching staff for their valuable suggestions and encouragement during the period of my study.

I must not forget to express my profound gratitude to my parents, brother, sisters & friends. Who had been of constant encouragement and who inspired me for the timely completion of this study. Without their good wishes prayers, constant encouragement, moral and financial support, the thesis would not have acquired its present shape.

Instead of this, I am also thankful to all coaches and teaching staff of Special Olympics (Bharat) Himachal Pradesh.

I am also thankful to my all friends like Dr. Anil, Dr. Shamsher, Mamta, B.C Kothari, Jai & Yogesh for Their unconditional Support. They really inspired and morally enriched me and my work.

My pen lacks words to express my gratitude to V M U for the help extended in typing my thesis with care and accuracy at a very short time.
