

ACKNOWLEDGEMENTS

A pleasant task of reciprocating by words to those who helped directly or indirectly in shaping this thesis is constrained only by a limited space for describing the nature of debts to each one of them.

My deepest sense of reverence to my guide Dr. J. M. Divecha, Associate Professor, Department of Statistics, Sardar Patel University, for her keen interest, invaluable guidance, inspiration, immense zeal for hard work, perfection and a positive outlook towards the subject. Her scholarly intellect, profile persuasiveness and insistence on reality have always been and shall always continue to be a guiding to light in the darkness of my ignorance. I am grateful to her for all her guidance in this much needed area of the statistics and for guiding towards a bright future.

I express my deep sense of gratitude towards Dr. P. A. Patel, Head, Department of Statistics, Sardar Patel University, for providing necessary facilities during research work and Dr. A. S. Shanubhogue, Member of Research Committee, Department of Statistics, Sardar Patel University, for their constant encouragement during my research work. My sincere thanks to my revered professors Dr. M. B. Bhatt, Dr. D. P. Raykundaliya and Dr. M. V. Bhatt for their valuable suggestions, encouragement and help in several aspects during the study.

I am very grateful to, Dr. P. R. Patel, Principle, Gujarat Commerce College (M), Ahmedabad, for providing support and necessary facility to complete my research work successfully. I am also thankful to Mrs. M. P. Trivedi, Mr. K. D. Parmar (In charge Principal), Mr. Y. S. Doshi, Mr. V. H. Raval, Dr. H. M. Shah and staff of college for their encouragement and co-operation during this research work.

I warmly thanks to Miss Keerti Aiyenger for her valuable support during thesis writing. I express my cordial thanks to my friends, Bhavin,

Ankur, Vijay, Ankit, Bharat, Tushar, Jayanti and all other friends who have directly or indirectly helped me during this research.

My heart takes a breathe when I realize the painstaking efforts taken up by my beloved parents Mr. Jayanti Gondaliya and Mrs. Champa Gondaliya who taught the central truth of human personality to try, to love, to help by virtue of peace and provided me the ceaseless encouragement and moral momentum to release the enigmatic and attracting arena of science. I am also grateful to my wife Mrs. Swati Gondaliya and my son Atharva for always believed in me and stood with me in my decisions. Without their support and encouragement, I may not complete this thesis. Words are inadequate to express my gratitude for the moral support from my sister Mrs. Ankita Kikani, brother in law Mr. Dhwanit Kikani, father in law Dr. V. P. Anadani, mother in law Mrs. D. V. Anadani and other relatives.
