ACKNOWLEDGEMENT

It would have been impossible for me to complete the three years of study if I had not received the various helps and supports from the many benefactors. I would like to express my deepest gratitude to all of them.

Thank God Almighty for giving me this opportunity to experience another style of living and for guiding and protecting me during the three years. Thanks to my mother and father for giving birth to me and raising me.

Thank my supervisor Dr.K.Iyakkutti, M.Sc., Ph.D., CSIR Emeritus Scientist, (Formerly Senior Professor, Department of Microprocessor and Computer), School of Physics, Madurai Kamaraj University, Madurai, for his valuable guidance in all aspects during my research study and for providing me a lot of exposures to the research community.

I also thank Dr. C.Xavier, M.Sc., Ph.D., Project Group Head, HCL Infosys, Chennai, for teaching me so much through the many lengthy discussions, and Dr.Sundaresan, Scientist, Department of Genetics, Aravind Eye Care Systems, Madurai, who is willing to teach me from the very fundamental level in the Bioinformatics area.

I would like to give special acknowledgement to Er.S.V.S.Shivnath, B.Sc., B.E., Secretary and Correspondent, Sourashtra College, Madurai, who took care of my whole journey, and have been giving me continuous advice and helps.
Thank to our College Principal Dr.R.L.Ramnath, M.Com., M.B.A., Ph.D., all the faculty, staff and students of the Computer Science and MCA department who have enriched my research life.

I would like to give special thank to Dr.E.Palaniyandi M.Sc., Ph.D., Coordinator, Dept of M.C.A., Madurai Kamaraj University, Madurai, and Dr. K.Alagarsamy, M.C.A., Ph.D., Dept of M.C.A Madurai Kamaraj University, Madurai for his moral support and advice during my early stage of study and his concern for me.

Very special thanks to my lovely wife T.Mariselvi for her love, and my children T.Cindhu and T.Braphu for tolerating me during preparing the thesis.
