Acknowledgement

Words and lexicons cannot do full justice in expressing my reverence and profound gratitude to Dr. R.C. Arora M.D.D.Sc. profesor and head Department of Medicine M.L.B. Medical College, Jhansi, my esteemed teacher under whose benevolence and able guidance, I read, learned and ventured to write. Still I take this opportunity to acknowledge most humble from the inner recess of my heart and with a deep sense of gratitude my indebtedness to him. His inspiring benefaction bestowed upon me so generously helped me to carry out this present work. My worshipful adorations to him.

It is indeed a great previlage and immense pleasure for me to record my deep sense gratitude and heartfelt thanks to Dr. (Smt.) Sunita Arora, Associate Profesor, Department of Gynaecology, who bestowed upon me knowledge, time to time during his study and made it possible to complete this work.

In no lesser degree and with overwhelming gratitude I express my sincere most thanks to my co-guide Dr. R.K. Agarwal, Profesor and head, Department of microbiology M.L.B. Medical College, Jhansi. His fatherely attitude, invaluable suggestions enabled me to take over the difficulties during the period of study.

I find myself highly indebted to my Co-guides Dr. A.K. Gupta Profesor and Head Department of Rediology, for their expert guidance, invaluable advise and unstinting help at every juncture.
I have no dearth of feelings, but only an understanding of the futility of my expression as I try to bring forward my sincere gratitude to my teachers Dr. P.K. Jain, M.D., M.N.A.M.S., Dr. Praveen Jain M.D., D.M., Dr. Navneet Agarwal, M.D. and Dr. N.S. Sangar, M.D.D.M. for their unexhaustable, sincere advise and help rendered to me throughout this study.

I feel highly obliged to my Computer typesetter Mr. Khursheed and Miss. Reshma Shafi for preparing this manuscript in an exemplary manner.

Every partice of me is indebted to my Father B.P. Varshney for their love, sacrifice, care and inspiration at every moment of my life. Last and active participation of my wife Dr. (Smt.) Shikha A. Varshney. She has always been available with ready invaluable suggestions regarding case and unending encouragement. This study carries imprints of the her helps, wise and meticulous advise. I am really thanful to her.
