Acknowledgement

It gives me immense pleasure and a sense of contentment in recollecting all the people who helped me during my work. First of all I render my gratitude to ALLMIGHTY who bestowed self confidence, ability and strength in me to complete this work. Never would I have succeeded in accomplishing this Herculean task without the cooperation, encouragement and help provided to me by various personalities.

First and ascending all, I would like to take this opportunity to express my heart-felt thanks to my supervisor, Dr. Hiren H. Joshi, Professor & Head of Department of Physics for his guidance, support, help and encouragement throughout my research work.

I wish to express my immense gratefulness to Prof. K. N. Iyer, Prof. M. J. Joshi, Prof. D. G. Kuberkar, Dr. G. J. Baldhá, Prof. H. P. Joshi, Prof. N. A. Shah, Dr. K. B. Modi and Dr. J. A. Bhalodia for their educating remarks and guidance. Thanks are also due to all the staff members of the Department of Physics, Saurashtra University and to all my colleagues in the lab, who had been a great help during my research work. I place on record my special thanks to Prof. Vrunda S. Thaker, Department of Bio-Sciences, Saurashtra University for her guidance at various stages.

Thanks are due to Prof. Akhilesh Singh, Prof. B. P. Asthana, BHU, Varanasi and Prof. Bhawani Joshi, Tribhuvan University, Nepal for their for providing necessary experimental facilities and guidance at various stages. I thank Prof. R. V. Upadhyay, PDPIAS, CHARUSAT, Anand, Prof. S. P. Bhatnagar, Bhavnagar University, Bhavnagar, Dr. Jaydeep Sheth, TPPF, ERDA, Vadodara, and Forensic Science Lab., Gandhinagar, for extending experimental facilities.

I acknowledge the help in terms of various experimental facilities like XRD, TEM, ESR, VSM, SEM - EDAX, UV-VIS, Raman spectrometer, extended by Banaras Hindu University, Varanasi; SAIF, I. I. T., Mumbai; TEM Laboratory, Punjab University; Chandigarh, I. I. T., Roorkee; I. I. T. Kanpur; Physics Dept. of Sardar Patel University, Anand; Physics Dept. of M.S. University of Baroda, Vadodara; Diya Labs, Mumbai; Microcare Laboratory, surat; CIF, Pondicherry University, Puducherry; UGC-DAE-CSR, Indore and Department of Bio-sciences Saurashtra University, Rajkot.

I am extremely grateful to my family members for their selfless love and full support throughout the tenure of my Ph. D work.

August - 2016

Baraliya Jagdish D.
