<u>CHAPTER SCHEME</u>	<u>PAGE NO.</u>
ACKNOWLEDGEMENTS	i
LIST OF TABLES	iii
LIST OF GRAPHS	iv
<b>Chapter-I : HISTORY OF INDIAN STOCK MARKET ..</b>	<b>1-43</b>
1.1 Historical perspective .. ..	1
1.2 History and growth of stock markets in India ..	3
1.3 Re-examination of weak-form efficiency of Indian stock market .. ..	21
1.4 Impact of reforms in the capital markets ..	26
1.5 Structural Deregulation .. ..	28
1.6 Stock Market Efficiency : The Concept ..	30
1.7 Market Efficiency - The Concept ..	31
1.8 Three levels of stock market efficiency ..	33
1.9 Behavioural characteristics of an efficient market	36
1.10 Development of the Efficient Market Hypothesis ..	37
1.11 Tests of Market Efficiency ..	37
1.12 Implications of Random walk and efficient market hypothesis .. ..	41
<b>Chapter-II : OBJECTIVES, METHODOLOGY AND REVIEW OF LITERATURE</b>	<b>44-103</b>
2.1.0 OBJECTIVES OF THE STUDY .. ..	44
2.1 SOURCES OF DATA .. ..	48
2.2 LIMITATION IN SAMPLE SELECTION .. ..	49
2.3 THE DATA ANOMALY .. ..	50
2.4 PITFALLS IN INDEX COMPILATION .. ..	51
2.5 PERIOD OF STUDY .. ..	51
2.6 DATA ANALYSIS .. ..	51
2.7 TOOLS OF ANALYSIS .. ..	54
2.8 THE MODEL EMPLOYED .. ..	62
2.9 CHOICE OF THE MODEL .. ..	66
2.10 SPECIFICATION OF THE (RANDOM WALK) MODEL ..	70
2.11 BASIC CONCEPTS USED .. ..	72
2.12 REVIEW OF THE LITERATURE .. ..	74
2.13 REVIEW OF RESEARCH STUDIES .. ..	84
<b>Chapter-III : CAPITAL MARKET EFFICIENCY : A THEORETICAL FRAMEWORK .. ..</b>	<b>104-148</b>
3.1 CHARACTERISTICS OF AN EFFICIENT MARKET ..	108
3.2 RANDOM WALK HYPOTHESIS .. ..	113
3.2.1 Misconceptions about the Efficient Market Theory	118

3.2.2	Changes to the Efficient Market Theory	..	119
3.2.3	Information inadequacy	..	119
3.2.4	Monopolistic Influence	..	120
3.3	WHY DO STOCK PRICES FOLLOW A RANDOM WALK	..	120
3.3.1	The two underpinning Assumptions	..	121
3.3.2	Implications of the Assumptions	..	123
3.3.3	How has the Random walk Model Been Tested?	..	124
3.3.4	Arguments against Random walk theory	..	128
3.3.5	Implication of Random walk theory	..	129
3.4	THE THEORY OF EFFICIENT MARKETS AND RANDOM WALK		130
3.5	EFFICIENT MARKET HYPOTHESIS	..	135
3.5.1	Weak-form Efficiency	..	135
3.5.2	Semi-strong form efficiency	..	136
3.5.3	Strong-form efficiency	..	136
3.6	RELEVANCE OF THE EFFICIENT MARKET HYPOTHESIS	..	137
3.6.1	Weak form	..	137
3.6.2	Semi strong form	..	138
3.6.3	Strong-form	..	139
3.7	EMPIRICAL EVIDENCE FOR THE EFFICIENT MARKET HYPOTHESIS		139
3.7.1	Weak form efficiency	..	140
3.7.2	Semi-strong version	..	140
3.7.3	The strong form	..	141
3.8	IMPLICATION OF THE EFFICIENT MARKET HYPOTHESIS	..	143
3.9	EVALUATION OF THE EFFICIENT MARKET HYPOTHESIS	..	145
3.10	CONCLUSION	..	148

**Chapter-IV : RANDOM WALK HYPOTHESIS: EMPIRICAL EVIDENCE .. 149-285**  
**SECTION I**

4.0	Introduction	..	149
4.1	Adjustment for Bonus and Right issue	..	151
4.1.1	Run Analysis	..	153
4.1.2	Runs Test	..	154
4.1.3	Run analysis results	..	158
4.1.4	Implications of Random walk and efficient market hypothesis	..	159
4.1.5	Implications for Investors	..	161
4.1.6	Empirical Analysis	..	162
4.1.7	Correlation results	..	164
4.1.8	Simple Price changes	..	165
4.1.9	Security returns	..	166
4.1.10	Equity indices	..	167
4.1.11	Summary	..	171
4.1.12	Conclusions	..	173

4.1.13	Randomness in prices	..	..	175
4.1.14	Conclusion	..	..	177
4.1.15	Limitations of the study	..	..	178
4.1.16	Findings and Conclusion	..	..	179
4.1.17	Relevance of the study	..	..	180
4.1.18	Tests for semi strong form	..	..	182
4.1.19	Returns/Earnings correlation coefficients	..	..	183
4.1.20	Tests of strong form	..	..	183
4.1.21	Trading by mutual fund manager	..	..	184
4.1.22	Findings of the study	..	..	198
4.1.23	Conclusion	..	..	200

## SECTION-II

4.2	TRADING DAY OF THE WEEK AND WEEK-END EFFECTS FURTHER EVIDENCE ON ANOMALIES IN STOCK RETURNS IN INDIA			211
4.2.0	Introduction	..	..	211
4.2.1	The need for separate study for trading day of the week and week-end effects	..	..	213
4.2.2	Review of studies	..	..	214
4.2.3	Data and Methodology	..	..	218
4.2.4	Trading day and weekend Effects	..	..	222
4.2.5	Implications	..	..	229
4.2.6	Summary and Conclusion	..	..	236

## SECTION-III

4.3	BRIEF DESCRIPTION OF THE METHODOLOGY FOLLOWED IN RUN ANALYSIS	..	..	243
4.3.0	Introduction	..	..	243
4.3.1	Random walk hypothesis	..	..	246
4.3.2	Inferences of Earlier empirical works	..	..	248
4.3.3	Stock Market in India since 1994	..	..	254
4.3.4	Stock splits, Bonus shares & Dividend yield	..	..	254
4.3.5	New Issues	..	..	255
4.3.6	Valuation of Shares - Dividend factor	..	..	257
4.3.7	Theory of share price behaviour	..	..	258
4.3.8	Valuation Models	..	..	258
4.3.9	Non-Parametric test for Randomness - Run test	..	..	261
4.3.10	Run Analysis	..	..	264
4.3.11	The Parametric test for Independence - Serial correlation Analysis	..	..	266
4.3.12	Serial correlation test	..	..	267
4.3.13	Empirical results-I	..	..	268
4.3.14	Empirical results-II	..	..	270
4.3.15	Empirical results-III	..	..	277
4.3.16	Industrywise Indices	..	..	278
4.3.17	Findings of the study	..	..	281
4.3.18	Conclusion	..	..	283

**Chapter-V : MARKET INEFFICIENCY : ABNORMAL RETURNS AROUND  
GDR ISSUES BY INDIAN FIRMS ..**

5.0	Introduction ..	286
	<u>SECTION-A</u>	
5.1	GDR issues ..	289
5.1.1	Abnormal returns before 15 May 1994 ..	290
5.1.2	Abnormal returns after 15 May 1994 ..	291
5.1.3	Cross-section Analysis - GDR Study ..	295
5.1.4	Global Depository Receipts ..	297
5.1.5	The Principle characteristics of GDR's ..	299
5.1.6	Impact of GDRs on Indian Capital Market ..	300
5.1.7	Markets of GDR's ..	302
5.1.8	Advantages of EWRO issues ..	302
5.1.9	Benefits to the Investors ..	302
5.1.10	Disadvantages ..	303
5.1.11	Pricing of the issues ..	304
	<u>SECTION-B</u>	
5.2.	Bonus issues and share price behaviour ..	305
5.2.1	Time of occurrence of the event ..	307
5.2.2	Methodology ..	309
5.2.3	Measures of abnormal performance ..	312
5.2.4	Empirical results ..	315
5.2.5	The Results ..	316
5.2.6	Disaggregation of the sample ..	323
5.2.7	Examination of the earnings-increase case ..	328
5.2.8	Examination of the earnings-decrease case ..	329
5.2.9	Implications ..	330
5.2.10	The Impact of the Industry factor ..	331
5.2.11	Conclusion ..	334
5.2.12	Limitations of the study ..	335

**Chapter-VI : MARKET INEFFICIENCY; ABNORMAL RETURNS AROUND  
MUTUAL FUNDS OF INDIAN FIRMS**

338-372

6.0	Introduction ..	338
6.1.0	Types of Mutual Funds ..	339
6.1.1	Portfolio classification of mutual funds ..	339
6.1.2	Mutual Fund scene in India ..	342
6.1.3	Performance of Mutual funds ..	343
6.2.1	Functional classification of Mutual Funds ..	343
6.3.1	Geographical classification of mutual funds ..	344
6.4.0	Investment pattern ..	347
6.4.1	Problems and prospects ..	348
6.4.2	Advantages of Mutual Funds ..	349
6.5.0	Empirical Results ..	350
6.5.1	Tests of Insider information ..	350

6.5.2	Mutual funds performance	..	351
6.5.3	The Evaluation strategy	..	353
6.5.4	The Analysis of Data	..	354
6.5.5	The Market Index	..	357
6.5.6	The Riskless Asset	..	359
6.6.0	Estimation of Results	..	360
6.6.1	Summary	..	365
6.7.1	Implication of the study	..	367
6.7.2	Conclusion	..	371
<b>Chapter-VII : SUMMARY AND CONCLUSIONS</b>			<b>373-383</b>
7.1	Methodology	..	378
7.2	Main Findings	..	379
7.2.1	Rate of return on equities varies over time and across companies	..	379
7.2.2	Indian Stock market is bearish	..	379
7.2.3	Price reaction to earnings release is well head of the announcement day	..	380
7.3	Challenges to the Efficient Market Theory	..	381
7.3.1	Information Inadequacy	..	381
7.3.2	Limited information on processing capabilities	..	381
7.3.3	Monopolistic influence	..	382
7.3.4	Price behaviour-views of experts	..	382
7.3.5	Graham and Dodd	..	382
APPENDIX-1 Company - Rights Issue etc.			384
APPENDIX-2 Euro Issues Launches			386
APPENDIX-3 Companies Proposing Euro Issues			388
APPENDIX-4 Performance of select listed Mutual Fund Schemes			390
BIBLIOGRAPHY			392-402

\*\*\*\*\*

I thank a large number of friends for their support and co-operation and particularly, Prof. Balasubrahmanian, IFMR, Madras for his mature advice and concrete help in making this study a success.

I will be failing in my duty if I do not thank Dr. Sujan Thomas, Faculty, Indira Gandhi Institute for Development Research, Bombay and Dr. K. Chandrashekar Rao, Member of the Faculty, Pondicherry University. I wish to express my appreciation and thanks to Prof. V. Rama Murthy, Professor of English (Retd.) Nagarjuna University for his constant encouragement.

My special thanks are due to the staff of the Library of the Centre for Management Development and to the Librarian, IGDR for allowing me to use their facilities.

Finally, I would like to take a moment to thank my beloved father Prof. N.A. Rama Sastry, Head of the Department of Telugu, Nagarjuna University for his affectionate encouragement during the course of my research.

--N. SUBRAHMANYAM
