ACKNOWLEDGEMENTS

I express my deep sense of gratitude and indebtedness to my most respected teacher, research guide and mentor, Prof. K.P.R.CHOWDARY for his untiring guidance, unmitigated encouragement, for inculcating confidence and for being a great source of inspiration and keen interest in making this thesis a reality. It would not have been possible to achieve this goal without his support, care and affection.

I express my heart-felt thanks to Prof .K.R.S. Sambasiva Rao, Head of the Department and Centre for Biotechnology, Acharya Nagarjuna University, Nagarjuna Nagar for his valuable suggestions and indefatigable help.

I acknowledge the encouragement I received from my teachers Prof. S. Satyanarayana, Prof. T. Satyanarayana, Prof. S. Ganapathi, Prof. K.V.Ramana Murthy, Prof J.Vijaya Raina, Prof. P. Rajeswara Rao Prof. Y. Ranjendra Prasad and Prof. B. Ganga Rao, University College of Pharmaceutical Sciences, Andhra University for their helpful suggestions during the work.

I sincerely thank IICT, Hyderabad and M/s Sipra laboratories, Hyderabad for FTIR spectra and in vivo studies.

With my every thought, word and deed, always there in moments of happiness and low spirit, comforting and encouraging of my sister-in-law, my parents, my brother, my mother-in -law, father- in- law(late) and my brother-in-law to whom I owe all that I achieved and am yet to pursue my love to them.

I am thankful to my colleagues and friends, Mr. Murali, N. M. Yugandhar, M. Niranjan, Ch. A. I. Raju, N. Kiran Kumar, D. Rajendra Kumar, Dr. Satish Kumar, Dr. Y. Srinivasarao, N. Srinath, L. Mourya, and Mr. Nandu for their help and cheerful company provided during the course of this work.
Words have no power to express my love and regards to my affectionate wife Ujwala, daughter Madhurima Vivek and my son Roshan Henry for their love and encouragement bestowed upon me for their unfailing support throughout the course of the research work.

I am thankful to Andhra University authorities for providing all the laboratory facilities.

Undralla Vivek Kumar
