Acknowledgements

In this world, no task can be accomplished without the help of the creator of this universe, who created man, taught the use of pen, taught to learn from nature, and taught man which he knew not. I would like to place my everlasting gratitude to Almighty GOD, the omnipotent, omnipresent, omniscient, most merciful, most beneficient, greatest helper, who blessed me with strength to complete the present work.

I would like to express my deep sense of gratitude to my teacher and supervisor Dr. Sudharma Haridasan, Department of Library & Information Science, who despite her academic and personal commitments always provided me the required guidance, support and encouragement during the completion of this study. She helped me to understand and analyze the problems involved in this work. Without her guidance, encouragement and help this formidable task would not have seen the light of the day.

I, sincerely express my sense of gratitude to Prof. (Dr.) Shabahat Husain, Chairman, Department of Library & Information Science for his guidance and inspiration throughout my work. He provided me all the required facilities in the department, during the completion of the present research.

My deep sense of gratitude is also due to my other teachers namely Mr. S. Mustafa K. Q. Zaidi, Prof. (Dr.) Naushad Ali P. M., Dr. M. Masoom Raza, Dr. Nishat Fatima and Dr. Mehtab Alam Ansari for their kind suggestions and cooperation whenever needed. My special thanks are due to the library professionals and users of Libraries of AMU and BHU for their cooperation in providing me necessary data needed for my study.

I am also indebted to my mother, brothers, sisters in law, sister and brother-in-law, especially Dr. Nazim Hussain who have been pillars of strength for me.

Words are not enough to express my feelings of indebtedness from the core of my heart towards my husband Mr. Naushad Alam for his patience and cooperation.
which gave me the required zeal to complete this work. I am also indebted to my daughter Sidra Raheeni for her cooperation that enabled me to complete the task.

My heartily thanks are also due to my well wishers and friends Shajirul Islam Khan, Nasar Ahmed Shah, Zafar, Saima Khan, Shazia Khan, Muntaz Abid, Surayya Ghalibeen and Tabassum Ara.

I would like to express my gratefulness to the non teaching staff of the department Mr. Riaz Abbas, Mr. Zahid, Mr. Gulrez, Mr. Asif, Mr. Amil, Mr. Tanveer, Mr. Sarfaraz and Mr. Owais for their cooperation.

There are no limitations of feelings and gratitude to numerous other persons who helped me directly or indirectly, I offer my thanks to all of them.
